REPORTS

AREA COUNCIL

Report of the Area Director

The Area Council staff has had a very helpful and fruitful year. We are grateful for the opportunity we have had to render service to the boards and agencies of the conference. We are here to serve you — call upon us.

The Area Director was busy the first part of the year in directing workshops for the purpose of training commission chairmen in every district in the conference. The workshops were able to reach more than 1500 chairmen of the several commissions. We spent some time in Mt. Sequoyah with the other secretaries of the Jurisdiction building the program for Mt. Sequoyah for this Summer. We attended the Convocation at St. Paul School of Theology in Kansas City and had a very helpful week at Cincinnati attending the meeting of the General Board of Christian Education. In early January we attended the Seminar on Adult Curriculum in Dallas where a team from Louisiana made plans for introducing the new adult literature to the Louisiana Conference. We have preached on numerous occasions and have filled many speaking engagements of other kinds. We attended the Convocations of Boards in Galveston in March and had a wonderful week in Baltimore when we attended the Bi-Centennial of American Methodism. It has been a busy, but a profitable year.

Reverend K. G. Rorie has had a most difficult task during the year for he has been responsible for doing three jobs, any one of which would be a full-time task. As Executive Secretary of the Board of Missions and also the Board of Evangelism, he has been called upon for many responsibilities. In addition to this he has done what he could to direct the Youth Program of the conference. In carrying out his manifold responsibilities, he has attended the workshops which the Area Council held for training commission chairmen. As Conference Director of Youth Work he has attended workshops and numerous committee meetings trying to keep the youth program going in Louisiana. He participated in the mission conference, evangelism workshop, and MYF regional meeting at Mt. Sequoyah. In August and September he represented the Louisiana Conference on a tour of the mission work in Alaska. In October he attended the National Conference on Mobility in Topeka, Kansas; in November, the National Convocation on Evangelism in Miami, Florida; in February, the National Conference on Urban Life in Chicago, and in March he was with us in Galveston, Texas for the Convocation of Jurisdictional Boards. In addition to all this he has served on the Jurisdictional Policy Committee for Christian Vocations, the MYF Regional Steering Committee, as well as serving on the Jurisdictional Boards of Missions and Evangelism. He has been called upon to preach most of the Sundays that he has been in Shreveport.

Mr. John Hereford, our Lay Associate Director, has had a full schedule of outside engagements besides being the business manager of the Area Coun-

cil. He participated in all the workshops which the council held during the first part of the year. He was able to make at least one preacher's meeting in every district of the Conference. He met with district boards of Lay Activities in Alexandria, Baton Rouge, Lake Charles, Ruston and Shreveport districts. He worked in the Jurisdictional Lay Activities Workshop at Mt. Sequoyah; served as resource leader at Gulfside in Mississippi, Lay Activities Clinic of the Central Jurisdiction; participated in and helped plan the Conference Lay Retreat at Centenary College; helped in the Conference Youth Stewardship Workshop for training teams for district presentations; participated in Lay Retreats in Shreveport, Ruston, Monroe, Alexandria, Lafayette, Lake Charles, New Orleans and Baton Rouge districts. He was a delegate representing the Methodist Church at the National Workshops on : (1) Lay Leadership Training, (2) Stewardship and Finance, Wills and Legacies, (3) and Methodist Men. He was our only delegate to the North American Conference on the Ministry of the Laity and the World; he was present with us at the Convocation of the Jurisdictional Boards in Galveston; He attended the Jurisdictional Lay Retreat at Lake Murry in Ardmore, Oklahoma; He held five workshops for training Lay Delegates to the Annual Conference and has also filled many speaking engagements over the conference.

Methodist Information, which was made a part of the Area Council Work, is under the very capable leadership of Miss Georgia Daily. She is serving the conference in a splendid way. She gives direction to all the District Directors of Methodist Information in doing a good job in every district.

J. Henry Bowdon, Area Director

AREA COUNCIL STUDY COMMITTEE

Report No. 1

The Study Committee, with every member present, discussed at great length the Area Council system which has been in operation in Louisiana for the last two and one-half years.

It was the unanimous opinion of this committee that the Area Council form of Conference administration is still the most promising way the Louisiana Conference can approach this problem. It is the feeling of the committee that whatever ineffectiveness has resulted thus far, or whatever criticism can be directed at this point, is due primarily to lack of direction of the Area Staff by the Area Council. At the time the Area Council office was inaugurated there were certain ideas, objectives and plans in the minds of the members of the Area Council which for some reason were not specified to the Staff. As a result it appears there has been a conflict of objectives.

With this as a general statement of the background of approach of the Study Committee, the following recommendations were submitted to the

Area Council. The recommendations as approved by the Council are submitted to the Annual Conference for approval:

1. Attached will be found a chart identified as Chart No. 1. This chart, as can be seen, serves to clarify the responsibilities of the Bishop, the Cabinet and the Conference to the Area Council Staff. We recommend that this organizational chart be approved.
2. The Constitution of the Area Council provides for the naming of a Program Promotion Committee to serve as a general planning board for the staff. We recommend that the Cabinet of the Conference be the Program Promotion Committee.
3. The Constitution also provides that the Resident Bishop serve as Chairman of the Area Council. We recommend that the Chairman of the Area Council be elected annually by the Council upon recommendation of the Nominating Committee. In the event the Chairman should not be the Resident Bishop, the Resident Bishop should be a member of the Executive Committee.
4. During the past year by action of the Area Council, the Director of Methodist Information has been placed under the direction of the Area Council Director. We, therefore, recommend that this be so stated as Item No. 4 in the Constitution in the section entitled "Area Council Staff".
5. We recommend that the Board of Education with the Personnel Committee of the Area Council consider combining Children's Work, Youth Work and Camping under the direction of one person. Should this be possible, we recommend that the promotion of the Town and Country Commission program be assigned to the ministerial Associate Director.
6. Assuming that the recommendations in No. 5 be accomplished, a new organizational chart would then be necessary. Attached will be found Chart No. 2 setting forth the organization with the responsibilities of the Director and the Associate Directors regarding the boards and agencies of the Conference. We call specific attention to the footnote on this chart placing the responsibility on the Area Director to assign staff members as resource persons to the other boards and agencies when requested.
7. We recommend that the lay Associate Director be designated as Office Manager and Supervisor of Bookkeeping. Should this recommendation be approved we would then recommend that the Personnel Committee prepare a job analysis outlining the responsibilities of the Associate Director in these instances. We further recommend that no Area Council staff member be asked to serve as bookkeeper for any board or agency of the Conference.
8. At the time the Area Council office was established, the Study Committee was requested to continue a study of the permanent location

of the Area Council office. They were requested to try and reach a decision for recommendation to the Area Council during the 1964-1968 quadrennium. We would remind this committee of this responsibility.

9. We recommend that the Area Council staff have regularly scheduled monthly staff meetings.
10. We recommend that the Executive Committee of the Area Council meet at least twice each Conference year to evaluate the work of the Area Council and of the Area Council Staff. If this recommendation be approved we would then recommend that the Area Council Staff make their reports to the Executive Committee and not to the Area Council.
11. In view of the fact that a number of the previous recommendations call for changes in the Constitution as it now stands, we recommend that a Constitution Committee be named to prepare the proposed changes in the Constitution which would then be submitted to the Area Council for approval and then for ratification by the next session of the Annual Conference.
12. In order to clarify procedure we recommend that the officers of the Area Council be elected by the Council following nomination of a Nominating Committee previously appointed by the Chairman.
13. Also, in an effort to clarify procedures, we would recommend that the Conference Boards and Agencies assume full responsibility for developing their respective programs, clear with the Area Council, and solicit assistance from the Area Staff in promotion as is necessary.
14. We recommend that the District Councils, under the leadership of the District Superintendent, should meet quarterly to institute District programs and to promote and coordinate the full program of the Annual Conference.
15. We recommend that the regular meetings of the Area Council be scheduled to convene at 10 a.m. and adjourn at 4 p.m. (or longer if necessary) so that each Board and Agency might be able to report fully to the Area Council regarding its activities and its needs.

BOARD OF EDUCATION**Report No. 1****Centenary College**

The college has completed a fine year. The full-time enrollment reached nine hundred and seventy students with all of the residence halls full. A ten-year plan for the development of the college was adopted by the Board of Trustees.

President-emeritus Joe J. Mickle and Dean-emeritus R. E. Smith died during the year. Paul M. Brown who had served as Chairman of the Board of Trustees for twenty-five years retired from the Board and was replaced as Chairman by George D. Nelson.

Many activities related to church relations took place during the year. Most of the churches of the conference were represented in the 600 young people and their counselors registered on Methodist Junior-Senior Day. In October the college administration met with the cabinet for a full briefing about the college. Members of the college faculty spoke in the Sunday morning services at all the churches of the Alexandria District on November 21. On March 13 the fifty-six Methodist students studying for church vocations assisted in the services of all the churches in the Shreveport District. The President of the College spent eight days in New Orleans in January leading small groups of laymen and ministers in discussions in depth about the college. The several ministers at the college have spoken in many churches throughout the conference. The choir, the drama group, and other student groups have also visited many churches.

The college side of church relations has been very busy. The ministers and churches have also helped in interpreting the college to the church.

We have been pleased to have thirty-nine children of Methodist ministers at Centenary this year.

The pledges from 1964 campaign are coming in and the Wesley Foundation has received its portion of the campaign. The dollar per member for annual giving has been accepted by many new churches. It is hoped that we can reach a larger goal in the near future.

BOARD OF EDUCATION**Report No. 2****Church School Statistics**

Over the entire Methodist Church there has been a steady decline in Church School membership for nearly a decade. The Louisiana Annual Conference is no exception. However, we showed our largest decline in enrollment during the conference year of 1964-65 when we lost more than

four thousand members. We should do all we can to halt this. I am sure that part of the loss can be attributed to inadequate rolls and reporting.

High Lights of the Year

During the early part of the conference year the entire staff covered the entire conference in a series of workshops for the purpose of training the chairmen of the several commissions of the local church. We were able to reach more than fifteen hundred of these chairmen.

The workshop in Dallas for the purpose of laying the foundation for the new literature in the Adult Division was very helpful and had a representative in it from every district of the conference. The Convocation of the Boards in Galveston was attended by the Executive Secretary and the Chairman of the Board and we got a great deal of information and inspiration from the meeting. The meeting of the General Board of Education in Cincinnati was attended by the Executive Secretary, the Chairman of the Board and Dr. Bentley Sloane, who represented the Cabinet at this meeting.

Staff Activities

The Executive Secretary, the Director of Children's Work and the Director of Youth Work have visited every district in the Conference several times during the year, holding many local church conferences. They taught in a number of Training Schools and answered every call made upon them for any service from the district or the local church.

Leadership Education

We will need to lay special emphasis upon Leadership Education in the months ahead for we will need to have thirty or forty Training Schools in which the new course on Adult Work will be taught if we are to be ready for the new literature which comes out in the Fall of 1967. We have a record of some nineteen Leadership Schools which have been held this year in which 698 were enrolled and 390 credits given. There were two Lab Schools held with sixty five enrolled and twenty-two credits given. We need to get reports from all the training which is being done in the local churches for much of it is being done in continuous training classes on which we receive no report.

Children's Work

Miss Shiela Nuttall has made great progress in introducing the new Children's Division literature to the conference. She has had a feedback from some thirty-five or forty churches in the conference. She has held special meetings with many small churches in the conference where special need was felt. We regret that we are losing her from the staff in June.

Youth Work

The Conference Youth Director is on a part time basis as he is an Associate Director of the Area Council and is Conference Executive Secretary of the Board of Evangelism and Missions, but in spite of this he has done an excellent job with the youth.

During the year to this point, on a conference level, we have held the annual Youth Officer's Workshop at Camp Istrouma and the Conference Youth Assembly at Centenary. The workshop attendance was 127, higher by twenty-one than the attendance of any previous workshop. The staff and program was good. The Assembly attendance was about the average of the past few years.

This year we had the first BLC Officers' Workshop (Beyond the Local Church Officers) since 1958. Attendance was eighty youth, double what was expected. Another is planned for the fall, but no date is set.

The Conference Youth Council co-sponsored Centenary College Junior-Senior Day, handling much of the publicity, but little of the work on the campus. It was a very fine day and many boys and girls got a glimpse into college life.

The Conference MYFund has been doubled in goal, an increase from \$7,186.00 to \$16,600.00 or an average of \$1.00 per member for every Methodist Youth in the conference last year. We may not reach the goal this year, but many local churches and sub-districts will reach the goal.

The Council receives no appropriation from World Service but is financed by a fifteen (15%) percent rebate on all MYF contributions sent to the Conference Treasurer. The Council paid all expenses for both adults and youth delegates to the MYF Regional at Mt. Sequoyah, plus underwriting the budget of the Conference Youth Officers Workshop, the Conference Youth Assembly and the BLC Workshop.

Methodist Student Movement

Delton Pickering will make a separate report of this work. The Commission on Higher Education has been made directly responsible for Student Work. However, let me say that the Conference Board of Education needs to make a careful study of our Wesley Foundation support in the Conference and try to come up with some stable solution to the problem that we face.

Adult Work

Under the leadership of Reverend Beverly Bond we are making careful plans for the introduction of the New Adult Curriculum which will be available in the Fall of 1967. We will need the cooperation of every member of the Board if we do a good job of this undertaking.

Conclusion

The Area Council has asked that the Board of Education combine the work of Conference Director of Children's Work, the Conference Director of Youth Work and the Conference Director of Camping. We do not see how it can be done, but we are willing to try if the Board so recommends. With the loss of Miss Nuttall, we are losing a very dedicated and valued member of our staff.

BOARD OF EDUCATION**Report No. 3****Goals and Recommendations**

A renewed effort to increase enrollment in Church School; to carry on local church leadership training, and to prepare for and hold city-wide, sub-district, or even district leadership training schools in every district. REPORT OF THE BOARD OF EVANGELISM

In the year 1966-67, your Board of Evangelism wishes to emphasize the third phase of our Quadrennial plan of Evangelism. We began in 1964-65 with the Holy Season of Love in which church members were brought into a closer relationship with Christ and with one another through the expression of Christian love.

The second phase in 1965-66 has been the mission to members, in which homes were visited to show members of the church that they are needed in God's plan. Non-resident members were encouraged to unite with a church in their community.

The third phase which we are seeking to implement this year is the use of Visitation Evangelism to win new persons to Christ and the Church. This is not simply a technique but an earnest effort to enlist the whole church membership in concern for unchurched, in prayer for them, and in visitation for the purpose of witnessing. The project is set up in four phases:

- (1) A 24 hour retreat in each district next fall for instruction.
- (2) A district wide evangelistic rally on a Sunday night with all Churches turning out their evening service and "getting their people to come".
- (3) A three month program developed by the local church, with members visiting the people in their community.
- (4) Assimilation of the new members through such things as a series of sermons on the doctrines of the Methodist Church.

Your Board of Evangelism urges each church to have training classes for new members.

Materials on all three of the phases of our Quadrennial plan are available through the Area Office.

MERLIN W. MERRILL, Chairman
Conference Board of Evangelism

CHRISTIAN SOCIAL CONCERNS

Report of Board

The Conference Board of Christian Social Concerns held meetings in Alexandria, Louisiana, on November 9, 1965, and March 4-5, 1966.

The Basic Question of the cooperative social action program for the Board for the second year of the quadrennium is: "Who speaks for the church in social action?" The Selected Issues for Projects and Action were Race Relations and Strengthening International Institutions. The Joint Study proposed was "Mission — The Christian's Calling".

To these issues the Board devoted its attention and efforts during the conference year.

Reverend Paul Carrol attended the Regional Briefing Conference on Christian Social Concerns at Mt. Sequoyah, August 6-8, 1965 as the representative of the Board. He reported that the Conference was especially helpful in the area of "Poverty Program".

Reverend William P. Fraser presented to the Board a paper on the "Relevance of Christian Faith to Culture". The paper has been published by the Board for distribution at Annual Conference.

The Board also was addressed by Mr. A. L. Darnstead, member of West Lake Methodist Church in Calcasieu Parish, on "The Church's Role in the Poverty Program", outlining the program of the Gulf Assistance Program of Calcasieu Parish.

The Board issued a standing invitation to members of the Board of Christian Social Concerns, Louisiana Conference, Central Jurisdiction, to attend all meetings of this Board. As outlined hereinafter in this report, the Board has made suggestions to other groups in the Conference concerning methods of increasing communication between the two Methodist groups in Louisiana.

The Board conducted its work primarily through its three divisions: (1) Division of Peace and World Order, (2) Division of Human Relations and Economic Affairs, and (3) Division of Alcohol Problems and General Welfare.

Division of Peace and World Order

The Board recommends that local churches promote World Order Sunday, and that its observance be especially promoted through sermons published in the Louisiana Methodist, written by persons selected by this division of the Board.

The Board recommends that local churches promote the education of their people on the Methodist Social Creed by a series of sermons and the distribution of copies of the Methodist Social Creed.

The Board recommends that a course be conducted at Pastors' School on the topic of Peace and World Order.

The Board recommends that a course of study at the State MYF Assembly be on the topic of Peace and World Order.

Division of Human Relations and Economic Affairs

A Conference seminar on poverty was held on June 19, 1965 in New Orleans, Louisiana, involving resource persons from the Federal Government, State agencies, and institutions of higher learning. The seminar was sponsored jointly by the Boards of Social Christian Concerns of the Louisiana Conferences of the Methodist Church, Central and South Central Jurisdictions. The purpose of the seminar was to focus the attention of the church on poverty, its causes, problems, and solutions, and to define the responsibility of the church in this area. The Board reports that the conference was well received and attended.

The following resolutions were adopted by the Board:

Resolution I

In the light of the position of the Methodist Church on crime and rehabilitation, expressed in the 1964 Social Creed (Discipline par. 1820): "We stand for the application of the redemptive principle in treating law offenders and for study and action directed toward the improvement of laws, correctional facilities, and services, and court procedures, in order to facilitate rehabilitation", we call the attention of Methodists in Louisiana to the proposals of the Parolee Rehabilitation Committee expressing the redemptive principle in the treatment of law offenders.

*Man's Committee, has studied the needs of our prisons over a number of years, Whereas: this committee is composed of a group of Louisiana's outstanding citizens headed by former Governor Sam Jones, and, Whereas: this committee has recommended that Louisiana's parole law be changed so as to provide for a professional parole board, a Department of Correction and model parole law and other progressive improvements to the operation of our prison system, and

Whereas: these legislative changes have been submitted to the Louisiana Legislature for their consideration in the regular 1966 session, and

Whereas: the Louisiana Annual Conference of the Methodist Church believes that the implementation of these reforms will greatly enhance the opportunity to rehabilitate those who will be released from our prisons;

*Whereas: The Parolee Rehabilitation Committee, better known as the Forgotten

Now therefore be it resolved: That the Louisiana Annual Conference of the Methodist Church urge passage of this legislative program,

Be it further resolved that the Louisiana Annual Conference of the Methodist Church urge the Governor to support and enact into law such proposals as the Legislature may approve.

Resolution II

We call the attention of Methodists of Louisiana to the statement of the 1964 Social Creed (Discipline par. 1820) relating to the opportunity and responsibility of Christian citizens and churches for creating those conditions by which offenders can be rehabilitated: "Christian citizens and churches have a special opportunity and responsibility for creating those conditions of family life and social surroundings, wholesome recreation, vocational training, personal counseling, and social adjustment by which crime may be reduced, and offenders rehabilitated and redeemed by God's grace."

Whereas: the Gulf South Research Institute plans to establish an adjustment center for young parolees, and

Whereas: this center would provide five weeks of intensive rehabilitation training to assist the parolee in finding jobs as well as provide on the job training,

Now Therefore: Be it resolved that the Louisiana Annual Conference of the Methodist Church go on record in support of such efforts to meet the needs of parolees, and call on Methodist people to keep informed on this project, and offer our support where possible.

The Board recommends that the Board of Managers of Pastors' School invite the pastors of the Louisiana Conference, Central Jurisdiction, to participate in the Louisiana Conference Pastors' School.

The Board recommends to the Area Council and its program committee that the District Training Workshops be planned with corresponding agency of the Louisiana Conference, Central Jurisdiction, and that such District Training meetings be open to Methodists of both Central and South Central Jurisdictions.

The Board recommends that the seminars on mental health proposed by the Board for 1966-67 be jointly planned and held with the ministers of the Central Jurisdiction Methodist Churches.

The Board recommends to the District Superintendents that District ministers' meetings be held jointly with the Central Jurisdiction ministers on occasions during the year.

The Board suggests to the Conference Board of Evangelism that the ministers of the Louisiana Conference, Central Jurisdiction, be invited to attend the Spiritual Life Retreats.

The Board recommends that a Family Life Conference, jointly sponsored by it and other conference boards, be held as a follow-up to the National Family Life Conference scheduled in the summer of 1966 in Chicago.

**Division of Alcohol Problems and
General Welfare**

During the Conference Year, the Board sponsored seminars on ministerial counseling in alcohol-related problems in five Districts of the Conference and reports that the seminars were well received and attended by the ministers in the Conference.

The Board received a presentation by Arthur Thiel, member of the Board, and Research Director of Public Affairs Research Council of Louisiana on the Louisiana "Grant in Aid" program administered by the Louisiana Financial Commission, presenting the background and recommendations of PAR in its "PAR Analysis" of October, 1963.

The Board recommends to the Legislature the abolishment of the Louisiana "Grant in Aid" program, the resolution of the Board being attached to and made a part of this report as Addendum Number 1.

The Board plans to follow up the District Workshops on Alcohol previously held by District seminars in the Conference Year 1966-67 on the subject, "Minister and Mental Health".

The Board recommends an emphasis in the Conference Year 1966-67 on problems of alcohol as related to youth, suggesting meetings on District, Sub-District, or other basis, implemented through the District Secretaries.

The Board recommends that a list be compiled of film strips available in the Area Council relating to the problem of alcohol for use in MYF programs.

The Board recommends that each local church, in planning Family Life programs, consider family-type discussions of threats to the family by problems relating to alcohol, narcotics, pornography, and the like.

The Board heard reports from Doctor Mark Lower, Executive Director of the Louisiana Moral and Civic Foundation, outlining the LMCF sponsored legislation to be presented to the 1966 Louisiana Legislature in three areas: (1) Legislation implementing local option elections on pari-mutual betting, (2) a uniform intoxication test, and (3) prohibiting the sale of intoxicating beverages in drug, grocery and other stores that sell to the general public.

RESOLUTION ON GRANT IN AID PROGRAM

The grant-in-aid program approved by the Legislature in 1962 has resulted in state payments being made to 10,500 students attending 62 private schools. Students are paid \$2.00 per day up to a maximum of 180 days or

\$360.00 per year. Of the 62 schools being attended, 52 are in the New Orleans area, 6 in the Shreveport area, 3 in the Baton Rouge area, and 1 in the Lake Charles area. The cost of the program in the 1964-65 fiscal year was \$3,819,971.00

WHEREAS, the grant-in-aid program encourages the existence of sub-standard private schools, and

WHEREAS, the grants of the Financial Assistance Commission are made without establishment of adequate guidelines and controls, and

WHEREAS, the grant payments are higher than state per pupil payments for public school children, and

WHEREAS, the sectarian sponsorship of many of the schools violates the principle of separation of church and state, and

WHEREAS, the grant program is an unnecessary duplication of the public school system and the public schools are in need of all possible state funds,

NOW THEREFORE BE IT RESOLVED that Act 147 of 1962 (R.S. 17:2951-2959) be repealed and the Louisiana Financial Assistance Commission be abolished and the funds provided for the grant-in-aid program be used to support the public school system.

BE IT FURTHER RESOLVED that copies of this resolution be sent to the Governor, all members of the Louisiana State Legislature, State Board of Education, the Louisiana State Parent Teachers Association, and the Louisiana Teachers Association.

CHRISTIAN VOCATIONS

Report of Commission

The vocational choice of any person is determined each day. A person decides in each moment the things he will uphold as worthwhile and worthy of his time, talent and service. Each person is called to decide what his primary vocation is, and how this vocation relates to the will of God as revealed in Jesus Christ. The Commission on Christian Vocations has been attempting to help those of the church make this decision in life.

The church stands in need of a dedicated fellowship which involves itself daily in Christian vocation. She also needs those who will give themselves to full time service. We have attracted in the past some of the finest and best leadership which the church has enjoyed, yet we find ourselves to be far short of the number needed to carry on the ministries of the church.

The files of the Commission on Christian Vocations have been constantly worked during the past year and every candidate for a church related vocation has been contacted by the Conference Office. This contact is made to help inspire and direct those who have shown interest in the church. At the present time there are 150 names on the Conference rolls representing 23

vocational choices. The District Secretaries on Vocations have been in personal contact with all of those in each district who have shown an interest in a church related occupation. Any success made in this area has been done by the splendid work of these people.

The Commission is presently developing a plan for a conference wide convocation on Christian Vocations to be held in the early part of the next conference year. It is the hope of the Commission, that every local church will not only develop an active Committee on Christian Vocations under the direction of the Secretary on Christian Vocations, but that they will assist the District Secretary and the Commission with the convocation and any other emphasis given this concern.

To give direction to the local church Committee there will be a new emphasis upon the District Committee and its work, as it relates to the local church. The essential work of the District Committee is to carry forward at the district level the basic program and suggestions of the Annual Conference Commission. Its first and major task is to activate, train and stimulate the local church Committee. The Conference Commission has, during the past year and hopes to continue in the coming year, directed much of its responsibility to the District Committee for such things as recruitment, personal contact and roll keeping. If this can be done, then the Conference Commission can concentrate on holding and conducting conferences and seminars which will stimulate the general program.

The church offers a great ministry. We need to be faithful to this ministry, for there are those about us who are raising the question, "How can I make my life's work consistent with my understanding of God's will?" Let us not fail the church in this her hour of great need.

OSCAR E. CLOYD, Chairman

DEACONESS

Report of Board

At the last General Conference a study Committee was appointed to discuss, evaluate, and make recommendations concerning standards and relationships of persons in church related occupations. The Louisiana Conference Deaconess Board has endeavored to participate in this evaluation by distributing a questionnaire to Board members, discussing the results, and planning some definite forms of action.

The following is a summary compiled by Shiela Nuttall of the inquiry:

Returning Questionnaires — 16

6 Deaconesses
1 Deaconess Candidate
1 U. S. II
3 Cabinet Members
5 Other Representatives

I. Is there a need for a more specific definition of the term "Christian Vocation"? If so, what definition do you suggest?

No — 4

Yes — 9

Church Vocation

Methodist Church Related Vocation

Church Related Vocation

Yes — 3

But gave no suggested name

II. (a) How can commissioned workers in the church be united?

Have common standards (varying only because of different work). Unity is not dependent upon the name. There should be a common organization at conference level.

- (b) Should the following names be changed: Deaconess, Home Missionary, Missionary?

No — 3

Yes — 13

Suggested names:

Commissioned Missionary

Commissioned Workers (but no let down in standards)

Missioner

Home and Foreign Missionaries (3)

Commissioned Disciples

Deacon and Deaconess

- III. How can all professionally employed workers in a church or a church-related institution have a united relationship within a conference?

Conference level meetings (8)

For fellowship

United meeting for fellowship and program; break into sections according to types of work done for transacting business; held at least annually and planned far enough in advance to clear dates with all employing agencies.

“Professional Workers” group

Organization to provide fellowship and to discuss common concerns, goals, and ways of attaining goals through cooperation. Variety of representation on working committees on scale increased above what is being done now.

Placed under direction of one board 3

“Very active conference missionary board. The Deaconess Board does so little it is hard for you to maintain interest or feel a close relationship”.

“If ‘ministry’ includes all facets of work of persons professionally employed all could be put under one board. If the ordained insisted, they could be separated from the commissioned workers”.

Group insurance and retirement benefits and “Lameco” might help. National organization should be available such as church business managers have. 1

Good ideas — but don’t know how 2

Omitted 2

- IV. Should the certified DCE be appointed by the Bishop?

No — 8

Better allow them to make their own arrangements at the present time since all churches do not have a DCE. 1

Yes — 7

As a result of this survey a study committee, to be chaired by Mrs. Charles Giessen, was appointed, to draw up a petition concerning relationship of persons in church related occupations to be presented to the Annual and General Conferences.

During this year the members of the Deaconess Board have had some very interesting opportunities to participate in study and sharing.

Shiela Nuttall has been invited twice to discuss the history of the Deaconess relationship to Kiwanians.

Barbara Boultinghouse and Judith Doyle attended a workshop on International Affairs in New York and Washington. They have served on the staff in workshops in the Central Jurisdiction. They also attended the Education Institute at Farmington, New Mexico.

Norma Garlington participated in a four month "in service training" project at the Church Center for the United Nations sponsored by the Women's Division and the Commission on Deaconess Work of the Board of Missions. This enabled her to better understand the peoples and nations of the world and the church's mission in fostering world peace and mutual concern.

Mrs. Charles Giessen has been elected as member of the South Central Jurisdiction Deaconess Board.

The Louisiana Conference Deaconess Board hopes through this year to more effectively interpret the deaconess relationship and recruit persons for church related occupations.

HOSPITALS AND HOMES

Report of Board

Both the example and the admonition of our Lord lays upon the Christian Community the responsibility of the healing ministry. When Jesus looked out upon the multitudes of His day, the record says that He was moved with compassion for them. From that day the Church has borne a witness of this same compassion through it's Health and Welfare programs.

The Methodist Church has never given this ministry a second place, but has given it primacy in it's total concern.

Your Louisiana Conference Board of Hospitals and Homes is the liaison between the Conference and her Agencies of healing. We try to relate the two for most effective work. During the past year each of our Agencies has labored with love and compassion to minister to God's distressed and needy children.

Realizing the need for competent Chaplains in our institutions of healing, your Board of Hospitals and Homes sponsored a Workshop for our part-time Chaplains. Full information is included in the report of the Chaplain's Commission. Another such Workshop is planned for the coming year and it is hoped that the appointment of every part-time Chaplain will carry with it the requirement of attendance at the Workshop.

It is not enough for the Local Church to support our institutions; the need is so great until our witness is demanded on every front. We have the organizational structure in the Area Council; the District Superintendent, the District Hospital Steward, and the local Hospital Steward. Our Board has asked the District Superintendent to find a competent and able person to serve as a member of his District Staff in the capacity of District Hospital Steward, and each Local Church to nominate an interested and capable person to be Local Hospital Steward. We hope to set up a Conference-wide Workshop for District Hospital Stewards who in turn will hold District training sessions for Local Stewards to guide them into the ministry of Health and Welfare on both the Local and Conference level.

We have had the reports of the Administrators of our institutions before our Board and have reviewed their work for the past year.

A revision in the Charter of the Retired Ministers' Homes is necessary, in order for it to comply with the standards of our other Homes and Agencies.

We look forward to the new year with hope and anticipation for a greater service in the Ministry of Health and Welfare.

RETIRED MINISTERS' HOMES BOARD, INC.

Report of Chairman

A detailed financial report has been made to the World Service and Finance Commission of the Conference on how the \$1,000.00 appropriated for 1965-66 operating expense, which the Conference provides, has been spent. A copy is on file.

The memorial apartment was dedicated on Sunday, December 5, 1965 by Bishop Aubrey G. Walton, assisted by Dr. Henry Rickey, Rev. Douglas McGuire, Rev. Wilson Watson, Rev. George Pearce, Jr., Mr. Mike John, Jr., Mr. J. R. Russell and Rev. James B. Grambling. The ladies of the Trinity and Grace Methodist churches were hostesses.

Our work this past conference year has been to put the finishing touches to the grounds around the apartment. I am happy to report that these little things have been cared for, making these apartments ideal homes for our retirees. I have personally furnished the shrubs and Brother John Gieck has furnished many blooming flowers, trees, and all the labor in directing the landscaping.

The apartment contract price was \$47,791 with extras amounting to \$8,132, a total, less subtractions, of \$55,677.55. The extras included: extra long cast iron sewerage line with dual life pump \$1,655.00; six unit carport with paved driveway, \$4,715.00; 50 ft. TV tower with seven outlets, \$375.00; venetian blinds, \$257.05. Two of the apartments and guest room are completely furnished, as is part of the lounge. The cost of the furniture and electrical appliances for these has amounted to \$3,327.02. The two furnished apartments are marked as memorials to Mr. Randle T. Moore and Mr. Thomas Lowe. The buildings and furnishings are adequately insured by Cole and Colvin Insurance Agency of Ruston. Our future need is to complete the furnishings of the lounge which is for general use.

Starting June 1966 those who will be occupying homes will be as follows: RUSTON, DUPLEX -A- Mrs. James Strozier, -B- Rev. and Mrs. E. Lee McKay, COTTAGE -C- Rev. and Mrs. Otis Spinks, COTTAGE -D- Rev. and Mrs. John G. Gieck, APARTMENTS - No. 2 - Mrs. C. E. McLean, No. 3 - Mrs. W. F. Roberts, No. 4 - Mrs. Dan Anders, No. 5 - Rev. and Mrs. O. C. Stapleton. (Two apartments are reserved for emergencies.) IN SHREVEPORT, Judson Street - 3726 - Mrs. B. D. Watson, 3728 - Rev. and

Mrs. James B. Grambling, 3720 — Rev. and Mrs. Porter Caraway. IN PINEVILLE — 112 Redd Drive — Rev. and Mrs. George Dameron.

All necessary repairs on all homes have been paid from the Maintenance Fund, including three insurance policies amounting to \$1,042. A seven-foot concrete table and three benches have been placed under the Pines for general use.

The November advertising drive was limited because of funds in our operating expenses. As a result we have suffered a set back in building fund receipts to date, of about 30%. Of the \$8,637.78 so far received, we have paid out \$2,665.99, leaving only \$5,971.79 in the building fund. We paid \$750 for street paving in Lafayette, \$442.17 for a cyclone fence on the north side of the Ruston property (550 Ft.) \$326.72 to close out last year's contracts, \$110 for back steps and hand rail, \$115 for extra closet and bars in Apt. 4, \$38.65 for copper plaque on apartment building, and \$807.97 for furniture for two memorials. GAS LAWN MOWER for CAMPUS \$75.48. Detailed financial report of all funds filed with Conference Secretary. Detailed financial report of GENERAL BUILDING FUND RECEIPTS and DISBURSEMENTS TO BE PRINTED IN LOUISIANA METHODIST.

Unless the new board which will take over at the 1966 conference receives an appropriation of at least \$1,000 per year from the conference, they will not be able to accomplish much in promoting this project.

We do hope that the conference will continue to include in their calendar the month of November as Retired Ministers Home Month and that every pastor will give their laymen opportunity to contribute to this work.

I want to personally thank all who have cooperated with me during the past thirteen years, and hope and pray that the efforts we have put forth will in some little way be a blessing to some brother and his companion in their declining years.

METHODIST CHILDREN'S HOME

1. Reappointment of Reverend Harry E. Ezell as Superintendent.
2. Election to the Board of Directors for a three year term the following: Rev. G. W. Pomeroy, Mr. W. H. Brumfield, Mr. George D. Williams and Mrs. G. E. Laskey.

THE METHODIST HOME HOSPITAL

1. Reappointment of the Reverend Jack H. Midyett as Superintendent for the coming year.
2. That the Sunday preceding Christmas Day be named Methodist Home Hospital Sunday, and that an offering be taken for the Home Hospital.
3. That each church set as its goal an amount equal to that of 4% of their Pastor's salary as their proper giving to the Home Hospital.
4. That the following be elected to the Board of Directors for three years: J. C. Love, Jr., Dana Dawson, Jr., Jolly B. Harper, Taylor Caffery, A. J. Ganier, and B. A. Galloway.
5. That Jack Warren be elected to the Board of Directors to fill the unexpired term of the late Henry Walther, said term expiring in 1967.

METHODIST HOSPITAL, New Orleans

1. That the first Sunday in February be designated as Methodist Hospital Sunday to be observed in every Church. Each church shall take an offering for operational expense, both before and after opening.
2. That the Reverend John B. Koelemay be reappointed as Promotional Director.
3. That the following Trustees be elected for a three year term, expiring in 1969: Charles E. McHale, Jr., James W. Mills, Jr., Michael H. O'Keefe, and Ralph M. Garrard.
4. That Methodist Hospital be allowed to continue its limited building fund campaign across the State until the \$200,000.00 goal approved by the 1965 Annual Conference be raised.

REPORT OF METHODIST HOSPITAL

Since the beginning of the program of Methodist Hospital over three years ago, Methodists have been responsible for raising a total of \$305,779.00 in cash and pledges. Of that total, \$171,779.00 has come through the New Orleans District Methodist churches, or about 56% of the total. In the light of the fact that of the balance of \$134,000.00, \$60,000.00 came in a magnanimous gift from the T. L. James Co. at Ruston, it is clear to see that the other seven districts of the Conference have raised a total of \$74,000.00. These figures reveal that the New Orleans District is doing a good job of presenting the program. The totals for the other seven Districts are as follows: Alexandria—\$6,935.00; Baton Rouge—\$17,790.00; Lafayette—\$11,850.00; Lake Charles—\$15,838.00; Monroe—\$7,468.00; Ruston, \$65,886.00 (including the T. L. James gift); and Shreveport—\$8,963.00.

Over half of all contributed assets (including 10 acres of land, a gift from George Williams and G. W. James, both of the T. L. James Co.) have come from Methodists or Methodist-related individuals and businesses. It is good to be able to acknowledge this. However, the record reveals that the Campaign is still short some \$130,000.00 of the absolute minimum amount needed to let a contract. With regard to the Conference-approved campaign to raise \$200,000.00 during the past Conference year, a total of \$89,000.00 in cash and pledges has been received. \$9,000.00 of this amount came in response to the Special February appeal for initial operating funds; \$55,000.00 has come from individual church efforts; \$25,000.00 has come in response to the letter sent out by Bishop Aubrey G. Walton on March 15, 1966. There were 46,232 letters mailed to Methodist families throughout the State of Louisiana. There have been 1500 replies to that letter, to date. A great response to that letter in the amount of the average of those already received would enable the Conference to fulfill its accepted and approved goal.

We urge continued efforts to provide funds for the Hospital. Ground is to be broken in August, 1966, but only because of the courage and faith of Methodists and others who are willing to underwrite this project believing that Methodists and friends are yet going to make a real response, and soon. We await your involvement in this Christ-inspired, Christ's Ministry fulfilling endeavor.

GLENWOOD HOSPITAL

1. That the following Trustees be elected for a 3 year term expiring in 1969: Bishop Aubrey G. Walton, W. H. Fleming, Kenneth McDowell, John McCormick, Luther A. Branch, F. C. McConnell, Eugene Smith, Jesse S. Heard, and I. P. West.
2. That Rev. Don Wineinger be appointed Chaplain of the Institution.

RETIRED MINISTERS' HOMES

1. That the Charter be changed as suggested by a special committee named by the Bishop, whose Chairman is Rev. Sam Nader.
2. That the following be elected to the Board of Trustees:
For a one year term to expire 1967, Henry Galloway;
For a two year term to expire 1968, Ed Thomas, Mike John;
For a three year term to expire 1969, J. B. Grambling, J. R. Russell.

Glenwood Hospital

During the past fiscal year Glenwood Hospital admitted a total of 7,004 patients, of which 496 were newborns. Glenwood Hospital rendered 31,251 days of patient care to the community.

We performed 2,183 surgical procedures in our operating rooms. The average daily census for the year was 86.

5,493 patients were seen in our emergency room, and 2,853 outpatients used our X-ray and Laboratory facilities.

We spent \$1,389,000.00 for salaries, services and supplies during the year.

Glenwood Hospital employs 275 employees.

The Dietary Department served 179,257 meals.

On April 23 the Joint Commission on Accreditation of Hospitals granted full accreditation to our hospital. Glenwood has been accredited since its first survey in 1962.

We at the Glenwood Hospital should like to take this opportunity to thank you for your help over the years, and hope that we have served you and our community well.

EWELL D. SINGLETON, Administrator

METHODIST HOME HOSPITAL

Report of the Superintendent

The Methodist Home Hospital, being the successor to a former home for unmarried mothers here in New Orleans, has provided continuous service in this field since 1886 — this is our 80th anniversary year!

The Methodist Home Hospital has developed into a multiple function agency — a maternity home and hospital for unmarried mothers, a child caring institution, and an adoption agency. As such, it is licensed in each of these three fields by the Department of Welfare of the State of Louisiana.

We are one of three maternity homes in Methodism which offers residential care to unmarried mothers. The General Conference of 1964 encouraged development of one such agency for each episcopal area. We are happy that the Louisiana and the two Mississippi Annual Conferences have long been interested in this special ministry.

In the new accreditation program which is being developed by the National Association of Methodist Homes and Hospitals it seems apparent that we will be able to secure the highest level of accreditation at the very beginning. We request that the Board approve our application for full accreditation.

The Annual Statistical Report at the close of the fiscal year, February 28, 1966 is as follows:

Adoptive Homes under Study (40 couples — 80 persons)	80
Homes under Supervision (52 couples — 104 persons)	104
TOTAL NUMBER OF PERSONS SERVED	588

Our Home Hospital is equipped to deal with the physical, emotional, and spiritual needs of each of its residents, thereby providing a ministry to the whole person. We also function efficiently in caring for the babies of the girls. Our adoption program is conscientiously and professionally administered.

During the past year there have been all age groups at the Home, ranging from girls of 14 to women of 30. Nearly half of the girls have been between the ages of 17 and 20.

Contrary to popular opinion, the girls who find themselves expecting a baby out-of-wedlock are not "necessarily" from "the other side of the tracks". The girls at the Home represent a cross-section of youth today.

Of necessity, we are giving Methodist girls and referrals by Methodist ministers preference. Whenever we have vacancies we do accept girls of other Protestant denominations and from other states.

The basic reason we are not accepting more girls than are reported above is the continuing shortage of adoptive parents. We were not able to secure permission to place babies in other states. In fact, Alabama which has been open to us has now closed the door — we can no longer place babies in this state. It may be that they will accept a limited number of babies from us if we allow their state agency to make the placements. We are not sure that this is good because we would have nothing to say about the selection of the homes. We are now limited to the states of Louisiana and Mississippi in which we may accept adoptive applications and make placements of our babies.

When we speak of a shortage of adoptive homes we do not mean that we have a surplus of babies. It means that we have to limit the number of girls that we can admit, which number is in direct relationship to the number of adoptive applications that we have in process and the number we anticipate for the next twelve months. We desire a year's number of adoptive homes in hand in order to be selective in the placement of the babies which will be born.

It may be that the Board should examine our adoptive requirements to see if we could do anything that would increase the number of suitable adoptive applications without compromising our standards.

Another problem that we face is to be able to provide for some regular salary increases for our staff members. The salaries for our social workers

are lower than comparable positions in New Orleans. Then, we face tremendous competition for registered nurses and practical nurses. Too, it should be noted that there is a bill before Congress (HR 10518), that if passed will create a minimum wage covering nonsupervisory employees in hospitals and nursing homes who are currently exempt from federal minimum wage and overtime regulations. This new bill would establish an initial wage of \$1.00 an hour for these employees, escalating over a 4½ year period to \$1.60 an hour. This bill would force us to raise the salaries of a number of our employees.

In speaking of our employees, Mrs. Lillian L. Smith retired as our house-mother on April 1, 1966 after having faithfully served the Home for fourteen and one-half years. We owe Mrs. Smith our deepest appreciation for these many years of devoted service.

Again, we should express our gratitude to Mrs. A. J. Ganier, a member of our Board, who serves as our Treasurer, and does so without compensation. He gives many hours of his time every week fulfilling the responsibilities of this office.

And, too, the Woman's Auxiliary of New Orleans continues to serve the Home in many helpful ways.

Regarding our financial condition, we are happy to report that we were able to operate in the black during the year with our expenses being \$1,027.65 less than our income. Coupled with this is the fact, too, that we were able to operate nearly \$4,000.00 less than our anticipated budget. It is needless to say that we cannot accomplish this every year.

Our income and the amounts came from the following sources:

The Louisiana Conference	\$58,432.74
The Mississippi Conference	9,394.69
The North Mississippi Conference	13,662.80
Cooperative Fees (from the girls)	15,669.20
Social Work Reimbursements (from adoptive parents)	26,885.00
Refunds (for outside medical expenses, etc.)	2,249.39
Miscellaneous Contributions (from individuals)	10,177.01
Dividends and Interest (Dividends and interest)	4,695.00
	<u>\$141,011.83</u>

In our endeavor to meet our financial needs for 1966-67, we respectfully request the Louisiana Conference to approve the same percentage of 4% of the pastor's salary as the asking from each church, to continue to give special emphasis to the Christmas offering, and we further ask the Commission on World Service and Finance to give us our usual asking.

We respectfully request the two Mississippi Conferences to do their utmost to lift the level of their support. However, we are informed that their joint Commissions on World Service and Finance is setting the same asking of \$30,000.00 for the new conference year.

Operating on less income than in previous years, we face a possible shortage in funds during this new fiscal year. In the event of insufficient funds we ask the Board to grant the necessary authority to use as much of our reserve funds as may be necessary. It is to be hoped that this will not have to be done.

Surely the Methodist Home Hospital is an important part of the great ministry of Louisiana and Mississippi Methodism. May God continue to bless our work.

LAY ACTIVITIES

Board Report

There are several items which are contained in the Pre-Conference Reports that I wish to emphasize in this report concerning the areas of special emphasis in the work of the Conference Board of Lay Activities in the coming year.

The Conference Board of Lay Activities will continue to promote its five year program for stewardship cultivation in the Louisiana Annual Conference. This program is outlined in detail in the Pre-Conference Reports of 1965 and copies have been distributed to you this morning.

In conjunction with that program, the Conference Board of Lay Activities has recommended, as noted in the Pre-Conference Reports, that the month of November in 1966, be set aside for a special tithing emphasis and that no conference program activities be scheduled in conflict therewith. Adoption of this report would, therefore, include adoption of this recommendation.

We ask you to note the special tithing workshops which will be conducted for ministers by Dr. Gil Stout during the month of September. The dates are outlined in the Pre-Conference Report.

In connection with the stewardship program of the Conference Board of Lay Activities and in keeping with the responsibilities of the Conference Board of Lay Activities as outlined in the Discipline, I have appointed a Committee on Wills, Bequests and Gifts. The first task of this committee,

made up of outstanding lawyers from throughout Louisiana, will be to adapt the material of the General Board of Lay Activities Committee on Wills, Bequests and Gifts, to the legal situation that exists in Louisiana. As soon as this is done, we plan a massive distribution of this material throughout the Conference.

The members of this Committee are:

Jack L. Simms	Kenneth Rigby
Guyton H. Watkins	Joseph H. Kavanaugh
Richard F. Knight	Charles McHale

The following are members of the Advisory Committee:

W. D. Cotton
Judge Vinson M. Mouser
Bascom D. Talley

A second item of emphasis for the coming year will be in Methodist Men's groups. We are undergoing a complete re-organization of our Methodist Men's program in the Louisiana Annual Conference, and I am pleased that Mr. Mal Fyfe and Mr. Bill Ford have accepted the responsibility as co-chairman for Methodist Men in Louisiana for the coming year. You will hear much from them.

A third area of emphasis in the coming year will be a continuing program of lay leadership training on the conference, district and local church levels, involving the inventorying of potential leadership within the individual and the group, the motivation of potential leadership and the training and developmet of lay leadership in general and in specific areas throughout the conference.

It is our hope, by special emphasis in these fields as well as carrying out the full program of the Conference Board of Lay Activities as provided by the Discipline, that we will have a rich year ahead in support by the laity of the entire program of the church.

We wish to also place special emphasis in the coming year on a new spirit of teamwork and unity on the part of the laity and the clergy in working together for the Kingdom of God. We want the conference to know that the laymen of the Louisiana area stand behind the program of this conference, that they will cooperate and work heartily with our Bishop, our district superintendents, our clergy — the leadership of the church for the whole program of Louisiana Methodism. The laymen of the Louisiana Conference are informed and active in the program of the conference as never before and with this knowledge and with the enthusiasm that the laymen have, the program proposals and recommendations adopted at this conference in every area of work will be supported. Pledged to the support of this program are the District Lay Leaders and Associate District Lay Leaders of the conference.

I now place before the conference the nominations for District Lay Leaders and Associate District Lay Leaders made by the district superintendent and the Conference Lay Leader, and the nominations for Conference Lay Leader.

ARKANSAS - LOUISIANA METHODIST

Report of Joint Commission

Recommendations to the Annual Conferences

The Joint Commission for The Arkansas Methodist and The Louisiana Methodist make the following recommendations to the annual conferences:

1. That the dates for the 1967 Circulation Campaign be January 8 to 15.
2. That the goal for the campaign be 41,000 with the quotas for the local churches be one subscriber for every seven members reported by that church in the 1966 conference journal.
3. That the subscription price be \$2.50 per year. Where a church sends in a subscription list equal to one for every three members it will become eligible for a rate of \$2.00 per year.
4. We are grateful for an increasing number of churches using the all-family plan and would like to challenge every district to secure one additional church on this plan. We feel it would be good to give appropriate recognition at the annual conference to the new churches going on this plan each year.
5. We recommend that the Commissions on World Service and Finance of the Louisiana, North Arkansas and Little Rock annual conferences be asked to continue their annual appropriation of \$4,600 each for the support of the papers.
6. That the editor and the chairman of the commission be authorized to sign notes at the Union National Bank, Little Rock, for money that must be borrowed for current operation.
7. That the executive committee be empowered to act for the commission in matters that require attention between meetings of the commission.

8. That the appreciation of the commission be expressed to all those who have made it possible for us to have a good year in 1965. We are especially grateful to Bishop Paul V. Galloway, Bishop Aubrey G. Walton, the 21 district superintendents and the 21 district directors.

We are also indebted to the dozens of people who help us with the thousands of words and the hundreds of pictures which must flow across our desk in a steady stream. If this flow continues we will continue to give you 50 papers a year in which you will take pride.

MINIMUM SALARIES AND SUSTENTATION

Report of Commission

We, your Commission on Minimum Salaries and Sustentation (hereinafter referred to as the Commission), hereby express our appreciation for your continued support of the Minimum Salary Fund. This fund has rendered an invaluable service to both pastors and charges, and has been a vital factor in expanding the service of Methodism within our Louisiana Conference.

We greatly appreciate the able assistance rendered the Commission during the past year by the Cabinet representative, Dr. Carl Lueg, and we sincerely commend our faithful and competent Conference Treasurer, the Rev. J. E. Hearn, for his efficient management of the funds of this Commission.

In accordance with the provisions of the 1964 **Discipline of The Methodist Church**, we hereby present our report in the following three sections:

I. THE MINIMUM SALARY FUND

The Commission is charged with the responsibility of studying the need for additional ministerial support for ministers of our Conference and to make recommendations on how these needs will be met. In accordance with paragraph 826 of the 1964 **Discipline**, the Minimum Salary Fund is to be used in addition to other supplemental aid or income from other sources to bring the total family income of a minister to the minimum salaries schedule adopted by the Conference. The Minimum Salary Fund helps provide a living support for those ministers whose charges cannot or have not met the Minimum Salaries Schedule set by the Conference. We feel our endeavor should be to promote more fairly the economic welfare of all pastors and reduce to a minimum the tensions inherent in inadequate incomes.

In accordance with provisions of the 1964 **Discipline** (par. 826), we, your Commission, make the following recommendations:

- A. That the basic minimum salaries schedule for the Louisiana Conference for 1966-67 shall be as follows:
 1. Student pastor without dependents \$2,400.00
 2. Married student pastor not living on the charge 3,000.00
 3. Full-time pastor without dependents 3,300.00

4. Married student pastor living on the charge 3,600.00
 5. Married full-time pastor living on the charge 3,900.00
 6. Additional grants up to a maximum total of \$600 shall be granted to minimum salary recipients on the basis of \$200 for each child and/or extra church.
 7. A minister's portion of the Conference Group Insurance program will be paid by the Commission for the 1966-67 Conference year.
- B. That annual grants approved by the Commission shall be paid in monthly installments on the basis of funds available at the beginning of the Conference year, and in the event of insufficient funds, appropriations shall be made on a pro-rata basis.
- C. That, in computing minimum salary grants, the total family income from all sources, both husband and wife, shall be counted as pastor's support. Pastors receiving supplemental support from the Minimum Salary Fund are required to report immediately any change in family financial status. In the absence of notification by the pastor, overpayments become a refundable obligation of the pastor to the Minimum Salary Fund.
- D. That the amount to be provided by the Commission for a pastoral charge will be an amount not to exceed 25 per cent of a minister's salary, automobile, and utility expense allowance paid by the church. Additional grants specified in A-6 may be made in addition to the 25 per cent limitation.
- E. That pastors of charges paying less than \$2,400 in salary and expense funds shall not be permitted to share in the Minimum Salary Fund except on recommendation of the Cabinet and concurrence by the Executive Committee of the Commission.
- F. That charges with pastors receiving minimum salary assistance are required to increase the pastor's salary or expense account to an amount equal to 5 per cent of the base salary of the past year in order to become eligible recipients. Exceptions for hardship situations will be granted on recommendation of the Cabinet.
- G. That the Every Member Canvass be carried out in every pastoral charge.
- H. That every church pay to the Minimum Salary Fund the amount apportioned by the Conference Commission on World Service and Finance.
- I. That at the earliest opportunity after adjournment of Conference, District Superintendents shall furnish the Secretary of the Commission a list of ministers in the area receiving less than \$4,500.00 in salary and expense.
- J. That each pastor named by the District Superintendent shall be supplied a questionnaire which must be properly filled out and

returned to the Secretary of the Commission, Rev. Marvin H. Corley, before payments may be authorized.

II. THE SUSTENTATION FUND

The Commission has been charged with the responsibility by the Louisiana Annual Conference of administering the Sustentation Fund as provided for in paragraph 828 of the 1964 Discipline of The Methodist Church and in accordance with provisions of the Discipline, we your Commission make the following recommendations:

1. That each effective minister of the Louisiana Annual Conference be assessed an amount equal to one-half of one per cent of the minister's base salary for 1966-67, to be paid to the Sustentation Fund.
2. That this fund be used to provide for emergency benefit aid to the ministers of the Louisiana Annual Conference who may be in special need.
3. That each pastor and church cooperate in providing an adequate hospitalization insurance program for family protection.
4. That the Commission will consider cases only upon recommendation of the Cabinet.

HISTORICAL COMMISSION

Report of Commission

As of the date for filing this report, the Historical Commission anticipates that our Conference will have a complete delegation of ten at the Baltimore Bi-Centennial Celebration of American Methodism.

Progress has come to a halt on the proposed indexing of the Conference Historical Records presently in the Centenary College Library, on account of lack of funds. However, Dr. Walter Lowrey, a member of the Historical Commission, plans to devote considerable time to this project this summer. It is hoped that the indexing can be completed and the records made available to all who are interested before the end of another Conference year.

All articles for which our Conference is responsible for the forthcoming History of Methodism have been turned in.

The Louisiana Department of Highways is undertaking to place a historical marker at a strategic spot indicating the early history of Centenary College.

PUBLIC RELATIONS & METHODIST INFORMATION

Report of Commission

The function of the Commission on Public Relations and Methodist Information is to gather news of public interest concerning Methodist activities and opinion and disseminate it through the secular press, the religious press, radio, television, and other legitimate media of public information. This report reflects the efforts of this Commission to carry out its function during the conference year.

By action of the 1965 Louisiana Annual Conference, the Office of Methodist Information was placed under the Area Council and the Director of the Office of Methodist Information was made a staff member of the Area Council. By action of the same conference, the appropriation of money from the Commission on World Service and Finance for Methodist Information was transferred to the Area Council budget, except for the sum of \$300.00 reserved for the operation of the Commission on Public Relations.

The Commission has been active in organizing its work on a district and local church basis. Qualified district directors of Methodist Information, both lay and clerical, have been appointed in all districts except one, in cooperation with the District Superintendent and the Lay Leader of each district. These district directors are responsible for promoting the work of the Commission in each district and to encourage each local church in the district to appoint a public relations chairman or a public relations committee.

On February 26, 1966, a workshop for District Directors of Methodist Information was held in Alexandria, Louisiana. The resource persons were Dr. Arthur West, General Secretary and Director of Methodist Information, and Dr. Alfred A. Knox, Editor of the Louisiana Methodist.

Additionally, Miss Georgia Daily, Director of the Office of Methodist Information, attended district conferences in each of the eight districts of the conference in November and December of 1965. She attended the National Workshop on Methodist Information in Washington, D.C. in September, 1965. In January, 1966, she attended the TRAFCO workshop in Dallas, Texas. She attended the district preachers meeting in New Orleans in September, 1965, in Monroe on February 14, 1966, in Baton Rouge on March 21, 1966, in Ruston on January 6, 1966, and in Lake Charles on April 4, 1966, and a TRAFCO meeting on March 29, 1966 in Atlanta, Georgia. She attended the meeting of the Children's Home Board at Ruston and issued news releases and pictures thereof to the press.

The Director issued news releases of the following events: The appointment of the Director of Methodist Information; the conference ministers spiritual life retreat, the Alcohol Seminar in Shreveport, the Shreveport District workshops on children and youth, Chilean Relief, the Shreveport District preachers' meeting, the Bishop's itinerary, Dean Smith's death, the Hurricane Betsy contributions program, the Shreveport District program, the MYF officers' workshop, the seminar for laymen in New Orleans, World Communion Sunday, Children's workers workshop, the Lay School of Theology in the New Orleans District, the article by Bishop Walton in *Tidings*, the Protestant Hour on Louisiana radio, the 40th anniversary of Doctor Bowdon, Doctor Taylor, and Reverend McKnight in the ministry, the Christian Social Concerns Conference Board meeting in Alexandria, the meetings of the Area Council staff, the Caney Lake schedule for the summer, the MYF Rally in the Shreveport District, the meetings of the Board of Lay Activities of the Conference in Alexandria, the Retired Ministers Homes, Student Recognition Day, the Dawson Library in Kansas City, the Lay School of Theology in the Lake Charles District, the EMC workshop in Pineville, the Louisiana ministers on Mission to Alaska, the Dan Tohline stories, the Governor's proposed address to the Louisiana Annual Conference, the Conference Woman's Society of Christian Service meeting, the workshop on recreation, March is Methodist Month in Louisiana, the stewardship seminar, the MI workshop, two spiritual life retreats, the New Orleans and Baton Rouge laymen's retreats, the Lake Charles laymen's workshop, the State Council of Churches workshop, and numerous other events and feature stories.

The Commission publicly expresses its appreciation to Miss Daily for her capable and tireless service as Director and to Doctor Alfred Knox for his cooperation in our common interests in the field of Methodist Information.

Public Relations has been defined as a social science which seeks to bring about a harmony of understanding between any group and the public it serves and upon whose good will it depends. Doctor Ralph Stooddy has defined the function of Methodist Information to be "making friends for Christ and His

church." To the achievement of these purposes your Commission has devoted its energies and pledges its future efforts.

KENNETH RIGBY, Chairman

MISSIONS

Report I-A

New Church Support

The second year of the quadrennium has witnessed a continued effort to implement the program of missions on all levels. As a matter of policy, the Executive Committees of the Board of Missions and the Cabinet met together, with the District Missionary Secretaries and Chairmen of District Boards of Mission and District Boards of Church Location of each of the eight districts also attending, for an orientation session that has, in past years, been extremely helpful. It is recommended that this policy be continued.

The Board of Missions urges continued support of the Conference 1000 Club, both for support of calls for new churches as well as the specials necessitated on occasion when no district is ready to organize a new congregation. We must recognize that this is mission work, and every opportunity should be capitalized upon to advance Methodism in our Conference and meet the needs of people we serve.

A special feature of new church organization in Louisiana is the use of a new agency of the National Division of the General Board of Missions. The "Department of New Church Development" has aided in survey and organizational work for a new church in the Baton Rouge District, providing highly qualified ministerial leadership on a short-term basis for this particular task. The Louisiana Conference Board of Missions has shared in the financial support of this special project.

Research and Survey:

The Conference Committee on Research and Survey, a sub-committee of the Board of Missions, has completed the first phase of its study of our Annual Conference. The detailed report is incorporated in a brochure, which has been given to the pastor and lay delegate of every church in the Conference.

It is the result of detailed questionnaires sent to every Church in the Conference. Reports were received from 446 (95.1%) of a total of 469 churches. It includes a comparison of the population and Methodist membership trends, the characteristics of local churches, patterns of Worship, of Official Board structures, local church finances, the educational program, five Commissions, the Woman's Society of Christian Service, and the Methodist Men. It deserves your careful study, for it points up the needs for change in many areas of our church life.

In addition to the brochure, a preliminary report has been made on Urban Research with partial analysis of Shreveport, Alexandria, Baton Rouge, Bossier City, Pineville, Monroe, West Monroe, Lake Charles, New Orleans and Slidell. When it is complete, the information will be of special value in predicting directions and trends of growth, and locating the most needy areas for the organization of new congregations, and for Church Extension projects.

Since final reports will be made later, we will reserve many of the present findings for report of the Conference until next year. It is hoped that many Boards and agencies of the Conference can use these three studies in re-evaluating their work, and making recommendations for changes to later sessions of the Annual Conference.

Undergirding the entire extension program, especially as it relates to Methodist work in the city, was a delegation attending the Urban Convocation in Chicago in February of 1966. Twenty-five delegates, headed by Bishop Aubrey G. Walton, with 2 being regular delegates and three others interested and attending at their own expense, were present. The cost of the appointed delegates was underwritten by the Louisiana Conference Board of Missions. The Convocation was a most successful one, and two of our delegation played an important leadership role in the program. Dr. Benedict A. Galloway led a program section, with the Reverend Robert A. Shirley presenting the work of the New Orleans Inner City Parish. During the Convocation the Louisiana delegation met and suggested that an Area Urban Workshop be held in 1967.

Personnel Recruitment:

The Board of Missions is vitally interested in recruiting new persons for missionary service. We especially urge youth to consider attendance at the Missions Conference to be held at Fayetteville, Arkansas, August 1-4, 1966. In addition to the regular Senior High delegate ratio of one from each district who may attend, a special group will be organized for college students who have a missionary interest.

The weekend Missionary Workshop for Laymen will be held August 5-7, 1966, at Mt. Sequoyah. Every church is urged to make it possible for the local Commission on Missions chairman to attend. This is a leadership training enterprise, and merits our full attention.

Policy of the Board of Missions:

We call attention to the fact that the "Policy of the Louisiana Conference Board of Missions" is recorded in the **Journal of 1961**, pages 100-101. It is amended as recorded in the **Journal of 1962**, pages 115-116, in the **Journal of 1963**, page 147, the **Journal of 1964**, pages 143-144, and the **Journal of 1965**, page 106.

Policy Amendment

We recommend to the conference that the section of the Revolving Loan Fund Policy which pertains to the amount of loan limits be amended to read as follows:

"There shall be a ceiling of \$2,000.00 on any loan made from this fund, with the exception that a new church may borrow up to \$5,000.00 for church extension purposes plus an additional \$1,000.00 to be used in the purchase of furnishings for its first unit."

(The effect of this action is to increase by \$3,000.00 the amount which a new church may borrow.)

Report II-A

The second year of a new quadrennium finds the Louisiana Conference well on its way to meeting in full the increased needs of a world crying for a message of hope. Every indication at this time points to paying our World Service askings in full.

The Conference Board of Missions will appoint a sub-committee on mission studies in an effort to promote and give leadership to this area of work in the local church. It is expected that the most competent leadership available will be secured, as this area of concern is one that, where carried out, always results in increased knowledge of an concern for the mission program of Methodism. Local church mission studies are a vital link between the world's need and a church's response.

Every local church is urged, through their administrative organizations, to study and evaluate the mission program and their participation. Financial support is needed, and this is best obtained with the natural responsiveness of an informed people. Churches are encouraged to engage in church-wide mission studies for all ages, to distribute Fourth Sunday World Service leaflets, to distribute mission tracts and literature through displays, to preach on mission themes. A minister or layman who fearlessly speaks a missions message will be profitably heard.

Report II-B

There are two areas where we especially need to place our emphasis on "Second Mile Giving."

First, we need to give full support to the missionaries who have gone out from the Louisiana Conference. Many of our churches are responding to this need, but we still find that our missionaries are not receiving full support from churches in Louisiana, and the Board of Missions must ask other Confer-

ences to support them. For example, Carl and Julia Williams were home on leave for the last two years and then returned to Bolivia this year. They have received very little salary support from the Louisiana Conference.

We urge all churches who are willing to go "The Second Mile" in giving to missions, to help support our missionaries who have gone out from Louisiana.

The second emphasis in Advance Specials is the Inner City Work in New Orleans.

Methodist Inner City Parish of New Orleans:

The United States quickly is becoming an urbanized society. Eighty percent of our people live in communities of more than 2500. More and more of our cities are approaching the one million mark in population.

Problems of living are compounded in large-density population. Poverty, unemployment, high crime rate, low family stability, low education accomplishment are all present in the city. These factors, while the result of human weakness, also tend to perpetuate man's alienation from God.

The Church is recognizing more fully its responsibility to the non-church community, particularly in the city. Establishment of Inner City parishes throughout our country are a testimony of this awareness and acceptance of this responsibility.

Inner City work sees as its task the redemption and rehabilitation of the individual in society. This is accomplished through exposure of the individual to the grace of God, through an effort to change that segment of society which acts as a hindrance to the individual, through a period of preparation for the individual to live in the world.

The five Inner City churches of New Orleans — Felicity, John Wesley, Redeemer, St. Mark's and Second — have conceived a program of redemption and rehabilitation to their community. This program, parts of which are active and parts in the planning stage, includes:

1. Tutoring of slow learners in school.
2. Coffeehouse ministry to downtown New Orleans.
3. Ministry to Spanish-speaking people, including literacy classes.
4. Visitation of non-church residents in government housing projects by laymen.
5. Visitation of patients in nursing homes by laymen.
6. Laymen conducting religious services each month at Fink Home for Elderly Protestant Ladies.
7. Home skill classes under the supervision of laypersons.

To accomplish these and other programs of Inner City, a sizeable group of volunteer laypersons are needed. A growing list of names of persons who

are willing to serve in any way they can is being accumulated. The hope of the Inner City, and the hope of the Church, lies in the willingness of laypersons to become involved in the work of the Church.

We wish to extend to Bishop Aubrey Walton our commendation for his practice of directing the honoraria which he receives for revival services to the cause of missions.

ROY E. MOUSER, Chairman

A REPORT OF THE METHODIST INNER CITY PARISH OF NEW ORLEANS

To Louisiana Annual Conference

The emphasis of the New Orleans Methodist Inner City Parish is twofold: first, to strengthen the programs of Inner City Churches and, second, to coordinate the efforts of Metropolitan Methodist Churches in ministry to the neglected people of the city.

Inner City Churches have problems which often are different in degree and kind from those of other churches. Declining and mobile membership, usually a shortage of leadership potential, scarcity of young adults, children, and youth, financial weaknesses are common characteristics of the Inner City church. Strength may be brought to the program through combined groups and activities. Joint Methodist Youth Fellowship and School of Missions serve as examples of how the churches can have stronger programs by pooling resources. Coordination of commission planning, along with leadership of the total staff given to the several churches, are possibilities for a more helpful relationship among the total parish.

Non-churchmen in Inner City areas come from a variety of backgrounds. He may have abundance financially or he may be eligible for welfare payments. He may be highly educated or he may be illiterate. He may have a well-paying job or he may be unemployed. The family may be strong or it may have a woman as head of the house. From the exclusive apartments of the French Quarter to the multiple living-unit complex of urban housing project represents quite a range of living conditions.

The problem of the church is to discover and minister to the spiritual needs of these people.

Several types of ministry are being implemented:

Experimental Evangelism — Door-to-door visitation of yesteryear is not effective in many areas. In many high-rise apartments, for example, one is not permitted on the premises without invitation from some tenant. Today's young adult often is not reachable with standard invitations to church. Many people living in government housing are suspicious of any effort of the Methodist Church to include them in its fellowship.

Experimental ways will be followed in trying to reach these persons:

1. Visitation to housing projects is planned. Purpose of such visitation is to come to know the people and their needs. After friendships have been established, it is hoped that small outreach groups can be formed to strengthen fellowship ties within the housing units. Such groups can discuss whatever problems they face. Hopefully Bible and other religiously centered discussion topics will be included.
2. In many inaccessible areas literature will be an initial contact until Methodist families are discovered. They will then be used as a means of developing further acquaintances.
3. Visitation to shut-ins at rest and nursing homes will reach those who cannot otherwise come to church.
4. Conventional neighborhood visitation is planned in areas where Inner City Churches are located.
5. Efforts will be continued to engage young adults in religious conversation wherever they are met. Opportunities arise in the restaurants and coffeehouses of the French Quarter.

Community Activity Groups — Few non-churchmen in Inner City are attracted by invitation to church. But many are reachable through ministry to their other needs. This ministry may come through organized activities conducted during the week in the church building.

These activities include:

1. Tutorial classes for backward children.
2. Sewing instruction for women.
3. Typing instruction for women.
4. Discussion and instruction classes for youth on social graces.
5. Recreation and craftwork for children and youth.
6. Teenage canteens for youth.
7. Employment service with Methodist employers.

While the above program serves to give the individual confidence, provide certain vocational and domestic skills, and make his role in society more useful, it also offers the volunteer leader an opportunity to communicate the gospel. The religious life of the person is our ultimate goal.

Need For Volunteer Work — The program outlined cannot possibly be accomplished without the volunteer service of dedicated Methodist laymen. Tutorial service, sewing instructors, leadership in recreation and craftwork, leadership of outreach groups, etc., are all posts that will have to be manned by willing laypersons. The task is great but the good to be accomplished is worthwhile and rewarding. Leadership will be for short terms which may be extended if the volunteer so desires.

Financial help is necessary in Inner City work, of course. Supplement for staff salaries, increased office expense, development of program, are all expenditures beyond the means of Inner City churches. Advance Special giving this year was \$5316.10. Of this \$2400 was pledged by one congregation, St. Matthews in New Orleans. This church, as well as many others, placed an amount in its budget to be given each or at regular intervals during the church year. Your church is invited to include the Methodist Inner City Parish as part of your Advance Special giving. Please contact for information:

ONE THOUSAND CLUB

Report of Committee

POLICY COMMITTEE

The Policy Committee in a special called meeting was held at Centenary College on July 31, 1965. The following action was taken to comply with the By-Laws of the 1000 Club. A plan for an Investigating Committee, presented by the Chairman was adopted:

Investigating Committee

The Investigating Committee shall be made up of 8 laymen, one selected from each district. Three men sub-committees shall be selected by the Chairman to investigate each application for 1000 Club assistance, selecting the three men nearest the district of call, (but not to include the investigator from the district making the application). The Investigating Committee will be reimbursed for travel expense by the Conference 1000 Club treasurer.

Application forms for churches making application for 1000 Club assistance must include a report from (1) the District Board of Missions, (2) The District Board of Church Locations, (3) the Conference Board of Missions or its Executive Committee. These forms shall have space at the bottom for the Investigating Committee to make their report, and the forms shall be made out in triplicate.

The District Directors of the 1000 Club shall be required to make a report to the Conference 1000 Club Chairman at the end of each call. Report forms will be furnished.

1000 Club Sunday

The Policy Committee recommends to the Annual Conference that August 21st, 1966, be designated and set apart as "1000 Club Sunday". Brochures will be furnished.

APPROPRIATION COMMITTEE

The Appropriation Committee met at a special called meeting in Alexandria, on December 4, 1965. The Alexandria District informed the 1000 Club Chairman that it would not be able to accept the second call for the Christ Methodist Church as planned.

Mr. James L. Gray, District Lay Leader of the Lafayette District made a presentation on behalf of the Houma Heights Methodist Church of Houma as to their need for 1000 Club assistance. The Appropriation Committee was impressed with the presentation and asked that the District Superintendent make application. The application was made, the Investigating Committee investigated the application and found it worthy of 1000 Club assistance. The committee was then polled by mail and the application was approved unanimously. Houma Heights Methodist Church was then given the second call instead of Christ Methodist in the Alexandria District.

The third call, which was to go to Gonzales Methodist Church in the Baton Rouge District, was withdrawn. The committee was polled by mail and a decision was reached to continue the third call under Article No. 6 of the By-Laws, which states that when the Appropriation Committee has no application for a new church, the call can be made with each District keeping all the money for extension purposes.

Calls for 1966-1967

The Appropriations Committee has approved the following calls for 1966:

1st Call — Francis Asbury Church, Baton Rouge

2nd Call — Trinity Church, Buras

The third call is to be left open for further applications. Deadline for applications for this Third Call will be January 1st, 1967.

We further recommend that the General Board of Pensions be designated paying agent for the Louisiana Annual Conference claimants and that payments be made monthly in advance, effective date to be July 1, 1966.
2. We recommend that there be apportioned to charges for conference claimants an amount of \$310,000 to be pro-rated according to the

decimal, \$210,000 of this amount to be used for payment of Conference claimants, and \$100,000 to be invested for down payment on Ministers Reserve Pension Fund as voted by the Conference last year, and we further recommend that each minister appointed with an annuity claim on the conference shall pay an assessment annually to the claimants' fund in an amount equal to 1% of his base salary.

3. We recommend there be continued the work of the Board of Pensions Committee on proportional payment of ministerial support in accord with provisions of Paragraph 1624 and 1634 of the 1964 Discipline.
4. We recommend that there be apportioned to each agency and institution served by a ministerial member under special appointment with annuity claim on the conference, the sum equal to 9% of the average salary of the conference; and that said apportionment be paid to the Treasurer of the Louisiana Conference no later than May 15.
5. Recognizing the need for an adequate pension program for Lay Employees of the Local Church and Church organizations we recommend that all churches and church organizations adopt the "Lay Employee Reserve Pension Fund", a program of the General Board of Pensions, for all full-time lay employees.
6. We recommend that the special appointments for the 1960 Conference Journal be granted annuity for 1965-66 on the following basis:

9. In-as-much-as- "Medicare" is considered a Group Insurance Plan by the Insurance Industry, the General Board of Pensions has re-written the Hospital and Medical Expense Program so that it provides a major medical, utilizing "Medicare" as the basic plan for all persons over age 65 whether active or retired and all persons under age 65 will be included in the "Under age 65 Comprehensive" with benefits as outlined in the General Board of Pensions Brochure HMEP. COURTESIES

Report of Committee

To each and all, guided by the Holy Spirit, who contributed to the success of this session of the Louisiana Annual Conference we say a genuine "Thank you".

We are grateful for Bishop Aubrey Walton, his spiritual leadership, his persistent and unrelenting energy. Of special note we would express appreciation for his message on "The Ministry" and his detailed planning of the Service in the Interest of Christian Unity.

To Mrs. Walton we say how glad we always are to have you with us. Your jolly spirit and ability to really know what to do with "so many children in the shoe" means much.

The poetic and scholarly presentations of Dean Ralph Cushman did much to set us thinking and his good spirit offered a real warmth for which we are grateful.

Monsignor Marvin Bordelon provided both color and clarity in thoughts concerning Christian unity. We are glad for his presence among us.

We rejoice, too, in the presence of the Fraternal delegates of the Central Jurisdiction and trust this will open further doors of cooperation.

The words and presence of the Honorable John McKeithen, Governor of Louisiana, provided a real touch of inspiration to the life of the Conference.

Our hearts were stirred by the Bicentennial emphasis as Dr. Henry Rickey so thoroughly challenged us and as the Reverend Dan Tohline recounted his fifty-two day journey symbolic of the Circuit Rider.

The Television, Radio, and Newspapers have given coverage and publicity in an abundant fashion and we sincerely appreciate their consideration in carrying the activities of the Conference to the people.

To the Worship Commission and the Board of Evangelism we say a heartfelt appreciation. Those who presided and those who brought the messages of early devotionals in the amphitheater and the opening worship in the Chapel have well reminded us of the things we have to celebrate and commemorate in this great faith of ours.

To the Choirs of First Methodist Church, Shreveport, of Mansfield and of Minden, and to Dr. A. C. Voran and Mr. Norman Fisher, we say thanks for helpful music in Worship.

For the hospitality of Dr. D. L. Dykes and his staff and the people of First Methodist, we are certainly appreciative. So many provisions they offered for worship and other needs.

Centenary College has again been the gracious host. Our thanks to Dr. Jack Wilkes, the Reverend Robert Ed Taylor, Dean Bond Fleming and all others—such as pages and other personnel—who gave time and service to make for comfort and provide for needs.

We are glad too, for the good spirit and sense of humor revealed by the retired ministers, the many speakers, and the presentation of the work of art: "Bishop Walton and His Cabinet Seen from the Eye of a Fish".

To the many visitors, delegates and ministers, whose faithfulness in attendance and in maintaining coffee-break within the allotted bounds of time, and whose energies on Boards and Commissions, allowed the schedule of the Conference to move with order and dignity, we express gratitude.

May the Spirit of the Lord be more alive and alert in our hearts and the hearts of our Methodist people of Louisiana because of the gracious spirit and good decisions developed in these days.

We would like to take this opportunity to also wish our long-time friends and highly esteemed colleagues who transfer to other Conferences, great success and happiness in their new appointments.

SAM NADER, Chairman
ROBERT CRICHLLOW, Secretary

TELEVISION, RADIO AND FILM COMMISSION

Report of Commission

All persons concerned with the work of TRAFCO in our Conference attended workshops and meetings during the past year. They were as follows: Bishop Aubrey G. Walton, the president of General Television, Radio and Film Commission in American Methodism; Dr. J. C. Love of Ruston, a member of the General Commission of TRAFCO and of the South Central Jurisdictional TRAFCO Commission; Rev. Wilson Watson, conference chairman; and Miss Georgia Daily, director of Methodist Information and TRAFCO.

In January, Rev. Watson and Miss Daily attended the South Central Jurisdictional workshop in Dallas. In March, Bishop Walton, Dr. Love and Miss Daily attended a dinner in Atlanta, Georgia, honoring Dr. James Sells, producer of the Methodist Series of the Protestant Hour for twenty years. This dinner was arranged by General TRAFCO and Dr. Love served as master of ceremonies. While in Atlanta, Bishop Walton and Dr. Love attended the TRAFCO executive committee meetings. In April, Miss Daily attended a National Religious Public Relation Council meeting in Nashville which included classes in matters related to TRAFCO.

Dr. Gene Carter of the New York Office of TRAFCO, is visiting this session of our Annual Conference. He will speak to our Conference concerning TRAFCO. He has also assisted us in setting up a new organization in our Conference TRAFCO.

The TRAFCO luncheon meeting was held during Annual Conference on June 2, with Dr. Carter and Bishop Walton as special guests, and members of the conference commission attending. Dr. Carter spoke to the Commission on the new organizational setup.

Under the new organization, Rev. Watson will continue as conference chairman. The conference TRAFCO secretary, the Rev. William E. Nolan will be chairman of the audio-visual committee; the Rev. Hugh Baker will be chairman of the radio committee; and the Rev. Barry Bailey will be chairman of the television committee. Dr. Henry Rickey is the cabinet representative.

The TRAFCO organization works with television and radio stations in the broadcasting of materials prepared by General TRAFCO and programs developed on district and conference levels, as well as local church creations. One example of a prepared program is the radio show, "Man With a Mike." On one of these the narrator, Eric Robinson, interviewed persons in New Orleans soon after Hurricane Betsy hit. There are a number of radio and TV programs available for the 14 TV stations and 73 radio stations in Louisiana.

General TRAFCO has accepted Bishop Walton's invitation that it hold its 1967 meeting in New Orleans, on March 16.

Respectfully submitted,
WILSON WATSON, Chairman

URBAN WORK

Report of Committee

Your Conference Committee on Urban Work views with interest and concern the rapid move of our state toward urbanization. With 66.2 percent

of the population of Louisiana now living in urban centers, ours becomes an even greater task. We cannot stand idly by concerned only with the continuation of a program or outreach that fails to meet the needs of the people in the teeming city. The Methodist Church must become more involved in the total problem of the urban man and devise better methods of communicating with him.

Realizing the need for a better informed clergy and laity in order that we may become aroused to our responsibilities in meeting the needs of the urban man, your Committee on Urban Work was successful in promoting an attendance of 25 persons to the National Urban Convocation held at Chicago in February, 22 of whom were regular delegates and three visitors. The cost of sending the delegation was underwritten by the Louisiana Conference Board of Missions. The Convocation was a most successful one and two of our delegation played an important part in the program. I had the responsibility of devising and directing the program of Section 3 of the Convocation, which had as its responsibility the development of "New Concepts of Parish". There were 183 delegates in this section, and the results were good. The Reverend Robert A. Shirley presented the work of the New Orleans Inner City Parish in one of the section meetings.

The Inner City Parish in New Orleans is now completing its fourth year, and after some shaky experiences, is on its way to devising a program of outreach to minister to those in the inner city. A new type of experimental evangelism, and the organization of community action groups are just two examples of the newly devised program. A more detailed report is available in the pew for your careful study. The Inner City Parish is now operating with four full time ministers, one of which is especially directing the Spanish Speaking Work in New Orleans. Financial help is still the crying need, and we urge more churches in Louisiana to take this important work as an Advance Special this next year.

As an outgrowth of the Urban Convocation and with the experience gained from the Inner City Parish in New Orleans, a Louisiana Area Urban Workshop is being planned for the spring of 1967. We hope to have delegates from all eight districts and all major urban centers in Louisiana in attendance so that we can as a whole conference become awakened to the challenge of an urban society.

Methodism in the centers of Louisiana is on the move and our Louisiana Annual Conference is challenged to move with it. We are faced with great problems and great opportunities. But our greatest difficulty is the lack of awareness that reaching the urban dweller for Christ and His Church is everybody's responsibility. It demands the moral and financial support of the entire Methodism of Louisiana to get the job done. This is the task to which your Committee on Urban Work addresses itself and calls upon you to join with it in its attempts to make the message and ministry of Christ more effective in the city.

Respectfully submitted,
BENEDICT A. GALLOWAY, Chairman

**WOMAN'S SOCIETY OF CHRISTIAN SERVICE AND
WESLEYAN SERVICE GUILD****Report of Committee**

The report which I bring today will officially close my term of office as president of the Louisiana Conference Woman's Society of Christian Service and Wesleyan Service Guild. These four years have been busy, interesting, and rewarding, and I am grateful for the support and cooperation given to the Society and to me by Bishop Walton, the District Superintendents, the pastors, and the laymen.

As you know, the Wesleyan Service Guild is auxiliary to the Woman's Society, with the two groups carrying on the same program and supporting the same causes. The only real difference is that the program and organization of the Guild are geared to the schedules of employed women. Miss Arline Tyler, Conference Guild Secretary, who is also completing her four-year term, and I have worked very closely together, so that this report is also her report. She will be succeeded by Miss Mildred Evans, of New Orleans, who comes to this office with a background of other conference responsibilities and will give strong and dedicated leadership to the Wesleyan Service Guild.

These four years have brought changes in terminology, procedures, and structure, and the end of such changes is not in sight. The women of this conference have been remarkably adaptable, and we have moved forward in many ways. I invite you, therefore, to hear this report much of which I believe you will find worthy of sharing with your local churches.

Early in the conference year, the conference and district executive committees of the Society and the conference and district committees of the Guild participated in a program of self-study, with the purpose of looking at ourselves as Christians and seeking to determine the real motivation for membership in the Society and Guild. Similar studies were reported by 99 local groups. The results of such a study are not measured in tangible ways but in personal dedications which bear fruit in varied ways.

The Regional School of Christian Mission, which replaced the Jurisdiction School, was a new experience in terms of geographical extent, inter-jurisdictional relationships, and format for study. A new and pronounced emphasis was placed on study as a church-wide undertaking, with the Woman's Society texts and the Methodist Mission Study sharing a common theme: "Mission: the Christian's Calling". Mission and Bible study have long been a major interest of Methodist women, and, though we realize that during the time in which a study program for the entire church is being developed, there will probably be a decrease in the number of classes held by Societies and Guilds, we feel the number of persons participating will increase and missionary education will become a more vital part of the total church program. We, therefore, welcome the proposed plans for promoting studies through a special conference committee, functioning under the Conference Board of Missions and through district and local committees, charged with the special

responsibility of planning and promoting mission study in the local churches. During this conference year, women have participated in 421 study classes which had a total enrollment of 16,054.

The Society and Guild no longer have an official relationship to Youth Work, but we do have a real responsibility in the area of recruitment. We have, therefore, cooperated in sending youth representatives to the Missionary Conference at Mt. Sequoyah. We will again sponsor an out-of-state mission tour for youth this summer — July 18-30 — with Mr. and Mrs. John Oldham, of Baton Rouge, as directors. In 1965, 33 young people participated in such a tour, and, judging from their letters and reports, there is no activity more appreciated by them or more meaningful in interpreting to them the mission of the Church. During the past four years, 3 young women — not from Louisiana — but employed at Sager-Brown School, have been commissioned Deaconesses, in addition to the 5 from Louisiana who have gone into regular or short-term missionary service in the last two and one half years. Another young woman, from Louisiana, Miss Nell Coulter, employed in California, is preparing for Deaconess commissioning.

Perhaps the greatest weakness in both the Society and Guild is at the point of membership. That loss in membership is a national phenomenon does not lessen our concern. The latest report shows a loss of 428 in Society and Guild since the same time last year. Though there are some factors which we realize contribute to such a decrease, we believe that a good part of it is the result of inaccurate reporting or failure to report at all. At this time we are listing 316 societies, 101 Guild units and a total membership of 14,844.

In spite of the membership decreases, the Society and Guild have continued to increase their giving on Pledge to Missions. It is true that neither last year nor this year did we reach the pledge we had made, but since the 1962-63 conference year, when we paid \$124,876.97 on pledge to missions, we have increased by \$16,502.54; so that our giving on pledge this year was \$141,379.51, or \$9.52 per capita. This figure represents an increase in pledge giving of \$9,973.24 over the amount given last year. But this does not reflect our total gifts sent to the Treasurer of the Woman's Division. The total giving, which includes Pledge to Missions and such items as Supply Work, Call to Prayer and Self-Denial, and special offerings, was \$171,505.09 — a per capita giving of \$11.57. In addition to this, the Society and Guild gave substantially to local church and community endeavors. The 1965 Conference Journal reports that the women gave \$136,615 for these causes.

As an outgrowth of the Workshop of Meeting Controversy and Conflict in Church and Community, which was held in February, 1965, the Conference Executive Committee joined the same group of the Louisiana Conference, Central Jurisdiction, in a Day-Apart observance, which was jointly planned, promoted, and presented. It was a time of real sharing in which we were able to rise above racial barriers in a common experience of worship.

A constant program of training and cultivation in district and local societies is carried on to help the women to be more useful church members as

well as more effective members of the Society and Guild. Also, each year one or more conference or district officers attends special meetings which develop their leadership skills, increase their knowledge, and help them interpret the meaning of "mission" in our day. The Methodist Urban Convocation in Chicago; the Conference on Worship, in Baltimore; the Churchman's Seminar in Washington; and the Seventh Assembly in Portland, Oregon are among such church-wide meetings. At the Assembly, held May 12-15, this conference was represented by 11 official delegates and 9 visitors and invited guests. In addition, Louisiana was honored to have the President of the Woman's Division, Mrs. Glenn Laskey, as her own. Included in the financial figures given earlier was \$1867.56 given at the Assembly to increase the pensions for retired deaconesses and missionaries.

We know that many challenges lie ahead. Goals, yet unattained, beckon us to greater endeavor. We see the need for more effective leadership training; for a better understanding of the meaning of "mission" for this day; and for a new awareness that the "spiritual life" is a vital part of the total life. But goals are like ideals, and ideals, says Carl Schurz, "are like the stars. We cannot touch them with our hands, but, like the sea-faring man on the desert waste of waters, we set our course by them, and following them, we reach our destiny."

MRS. G. W. DAMERON, President

COMMISSION ON WORLD SERVICE AND FINANCE

Report No. 1

The financial record of the 1965-66 Louisiana Annual Conference has been written and now becomes a part of history. That record is historic. More money has been raised, more money has passed through our Treasurer's hands and books, more challenging goals have been nearly or completely met than in any other year. For example, we have overpaid World Service and Conference Benevolences apportionment by \$8400.00 and the acceptance made by the churches by \$4445.00. Also, our total giving for the Annual Conference Administration Fund has been raised from \$74,000.00 last year to almost \$95,000.00 this year, a total which represents almost 95% of the total apportioned. In addition, we have paid 96.5% of all other apportioned items.

We give thanks to God for making it possible for people called Methodists to make such financial response to the call of the Church. We can smile as we think of the pressure we have all felt from our leaders towards achieving these goals. Yet, when the whole story is told, it has been the response of each individual giver in every local church that has made this record possible. The Commission salutes everyone who had a part. Our work is made easier and the work of the Conference and the general Church is more securely undergirded through these giving achievements.

There are several general matters to which we feel we must address ourselves.

We remind the Conference and its agencies that no financial appeal, whether by Conference or institutional interests, shall be made without the approval of this Commission, unless otherwise excepted. (See Par. 810, 811 of the 1964 Discipline).

We also remind all ministers and churches that remittances for World Service and Conference Benevolences and Ministerial Claims items shall be made monthly, if practical, but at least quarterly to the Conference Treasurer. (See Par. 804, 823 of 1964 Discipline.)

The Commission recommends that the Louisiana Annual Conference establish its fiscal year to be from June 1 to May 31, and that all Conference reports and payments be made in full to the Conference Treasurer by May 15 of the Conference year. We authorize the Treasurer to close his books annually on May 15, accepting only such reports as are postmarked by midnight of that date.

It is recommended that the First National Bank of Ruston, Louisiana be designated as the Official Depository for all funds of the Louisiana Annual Conference.

The Commission recommends the continuation of the system of apportionments on the decimal plan (for details, see the Conference Rules in the Journal). The decimal shall be applied to the following Conference items: (1) District Superintendent's Fund; (2) Episcopal Fund; (3) Board of Pensions; (4) Minimum Salary Fund; (5) General Conference Administration Fund; (6) Jurisdictional Conference Administration Fund; (7) Annual Conference Administration Fund; (8) Interdenominational Cooperation Fund; (9) Temporary General Aid Fund; (10) World Service and Conference Benevolences; (11) Radio and Television Fund.

The Commission calls the attention of the Conference again to the importance of exercising extreme care in filling out Conference record forms and reports, particularly with regard to financial items. There have been hurtful errors again this year increasing apportionments to some churches which could ill afford it. In the light of the fact that one of the factors used in figuring the decimal is the church's current expenses, we suggest a careful review that only such expenses be included in that column.

COMMISSION ON WORLD SERVICE AND FINANCE

Report No. 2

Report No. 2 contains the recommendations of the Commission to the Conference concerning many varied matters.

In accordance with the action of the General Conference, we suggest that an amount equal to \$1.00 per member be paid by each local church for the support of Centenary College, and that an amount of \$1.00 per member be paid for the support of the Wesley Foundation. We further urge that the

churches continue to lift up the needs of Centenary College and the Wesley Foundation-L.S.U. system, and to continue payments on pledges and commitments made during the financial campaign.

We recommend that the Board of Directors of the Methodist Home Hospital be granted the privilege of presenting the Maintenance Budget of the Home to each local church with a suggested amount of 4 per cent of the Pastor's salary to be raised by that church. Christmas Sunday, December 18, 1966 shall be designated as Methodist Home Hospital Sunday and the offering for maintenance is to be received on that day unless otherwise planned by the local church.

We also recommend that the Louisiana Moral and Civic Foundation be given moral and financial support and every opportunity to present its cause to the local church. A suggested amount of 25¢ per member is a goal to strive for.

We request the approval of the Conference to continue to raise an amount of \$10.00 per pastoral charge for the support of the Western Methodist Assembly at Mount Sequoyah. Each District is to raise the amount on the basis of the total number of charges in the District, and the District Superintendent is responsible for raising this money.

We urge that the month of November be observed as Retired Ministers' Homes month, and that a Sunday in that month be designated as Retired Ministers' Homes Sunday, at which time an offering is to be received for the support of the work (perhaps the Communion Offering for November can be so designated).

We commend for consideration the wholehearted support of Lydia E. Patterson Institute. If maintenance support is being contributed, the offering should be clearly marked "Maintenance". If support is being given to the Emergency Advance Special for the Capital Funds Campaign, contributions should be plainly marked "Building". Proper credit can be made by the Treasurer only if handled this way.

We request that all churches give full support to the Methodist Children's Home in Ruston, and that proper observance be made of the Fall and Spring emphasis in support of this agency. Special offerings should be taken on October 16, 1966 and on March 26, 1967 unless otherwise provided for.

We urge continued support of the Methodist Hospital Campaign to raise \$200,000.00 throughout the Conference. Though the Hospital construction is to begin in a few weeks, it is being done on faith—faith that the Methodists of Louisiana will meet their accepted and adopted goals. Further, we recommend that Sunday, February 5, 1967 be designated as Methodist Hospital Sunday, at which time this new cause is to be lifted up as a concern of the Conference with an offering being received for the Hospital's initial operating costs.

The Commission highly recommends a continued emphasis by all churches on Advance Specials, both General and Conference, requesting how-

ever, that all churches pay in full their World Service and Conference Benevolence apportionment before appropriating funds for these projects. We must all understand that World Service and Conference Benevolence is the foundation for all other programs in the field of Missions.

Further, the Commission urges support by the local church of the Jurisdictional Ministerial Education Fund in the amount of 1% of its non-building budget.

Finally, the Commission reminds the Conference of its previous thoughts concerning the program of Lay Activities. This program continues to be handicapped because of a lack of financial resources for a District program. We urge the District Stewards in each District to budget funds for the use of the District Lay Leader, for carrying out the District program and for attending meetings of the Conference Board.

COMMISSION ON WORLD SERVICE AND FINANCE

Report No. 3 — Conference Administration

The largest part of the Conference Administration Fund finances the operation of the Area Council Office. The Area Council has now been in operation for three full years. Changes and adjustments have been made in the overall operations, but little actual change has been made in its total financial support. Its budget has remained at approximately \$61,000.00. The transfer of Methodist Information to the Area Council increased the budget to \$68,000.00 but this increase was covered by the transfer of already appropriated funds from Conference Benevolences. The Council has now requested increases for 1966-67 of \$6,290.00 and 1967-68 of approximately \$8000.00. This request is to cover increases in salaries, long past due, new pensions coverage on the Director and Associates, and increased costs of operation and services.

In order to accomplish these changes, which the Commission has approved, the Commission requests approval of spending \$6290.00 of the total to be raised in Conference Administration this year for the 1966-67 Area Council increase. The other increase is being handled in the approval of the total budget.

We recommend that the Conference Treasurer, the Reverend J. E. Hearn, be paid a salary of \$6,600.00, and that he be paid \$1,800.00 for parsonage and office space.

We recommend that the Conference accept the bid of the firm, The Drake Co., for the printing, wrapping and addressing of 2200 copies of the Conference Journal at a cost of \$4,156.50, plus any extra pages above 224 at a cost of \$9.75 per page, or if fewer pages, \$9.75 per page less. The bid also includes fold-out pages equal in number to last year's Journal. If more or less than that number are required, the total amount will be increased or decreased at the rate of \$14.00 per page. Extra copies of the Journal may be

ordered at \$2.00 through the Conference Secretary, if done so during or immediately following Conference. We further recommend that the Secretary of the Conference serve as the Editor of the Conference Journal, and he is authorized to eliminate detailed financial and audit reports, including instead a statement indicating where the detailed report is filed. In connection with this, we also recommend that all Boards and agencies of the Conference write their complete reports for printing in the Pre-Conference Report, with only brief summary to be provided for printing in the Conference Journal.

In the light of the above-noted financial needs and others for actual Conference Administration, we recommend that the Annual Conference Administration Fund for 1966-67 be \$122,000.00. It is pointed out that this amount has already been apportioned to the local church for payment during the 1966-67 Conference year.

The Fund is broken down as follows:

Area Council (for 1967-68 operations)	\$ 82,185.00
Salary of Treasurer	6,600.00
Office and Parsonage Rent	1,800.00
Office Expense	1,700.00
Editor of the Conference Journal	
Expense and Honorarium	600.00

Commission Expense	600.00
Area Council (Extra for 1966-67)	6,290.00
Contingency	10,525.00
TOTAL	\$122,000.00

With regard to the Pastor's Expense Account and Utilities Expense, the Commission recommends to the Conference that (1) permission be granted to the pastoral charge to pay an amount not to exceed \$1200.00 as a Pastor's Expense account, provided that the salary set by the Fourth Quarterly Conference be maintained, and that in no event a charge be allowed to reduce its pastoral salary in order to raise the expense account; and (2) permission be granted to the pastoral charge to pay an amount up to \$600.00 as Utilities Expense, provided that the salary not be reduced below the 1965-66 level.

In order to comply with Federal Income Tax regulations, we recommend that Utilities on the Bishop's residence, District Parsonages, and Parsonages used by the Area Director and Ministerial Associate, the Promotional Director of Methodist Hospital, and the Conference Treasurer be considered a part of their salary as a "Housing Allowance".

COMMISSION ON WORLD SERVICE AND FINANCE

portion of Conference Administration, and the Conference Benevolences (if collected in full) will be disbursed by the Conference Treasurer at the end of 1966-67 for use by the individual Boards and Agencies during the 1967-68 Conference year.

The percentage of the Episcopal Fund is an amount equal to two per cent of the salary or salaries paid the pastor or pastors serving in the Louisiana Annual Conference. The same is to be computed on the preceding year for the succeeding year, and is apportioned to the churches on the Decimal Plan.

The Treasurer of the Conference is hereby authorized to pay each District Superintendent an annual salary of \$10,000.00 and an expense account of \$3,000.00. He is further authorized to pay each District Superintendent \$833.33 at the end of the month of service, as salary, and \$250.00 at the end of the month for expenses. He is also authorized to pay up to \$1,000.00 from the Fund for extra travel to Cabinet meetings, and up to \$500.00 for telephone calls involving appointments.

It is recommended that each District make available an additional amount of not less than \$600.00 and not more than \$3,000.00 as an Office and Secretarial Expense Fund to be drawn upon by the District Superintendent after approval by the District Stewards.

The Commission herewith reminds all Agencies, Boards, Commissions, and Committees that they are required to submit a financial statement at the end of each Conference year, together with plans, programs, and askings for the coming year. A preliminary report will be requested by the Commission sometime in April. A final report will be expected by June 30 using a format which includes receipts, budget items, and expenditures against each budget item, plus balances in each item and final balance. Operating funds will be withheld until the Commission receives this financial statement. Also, the Commission reminds all concerned that it expects that a list of all investments and returns therefrom shall be submitted to the Commission and to the Conference annually.

COMMISSION ON WORSHIP

Your Commission on Worship is pleased to report a growing concern on the part of both pastors and laymen for meaningful worship in the life of the Church. We are convinced that this concern for vital worship in the

experience of our people is both the means and the result of the Holy Spirit's work in the renewal of the Church. For this we give thanks.

The following projects have engaged the Commission's attention during the year:

- (1) The promotion of the use of the Book of Worship, and the promotion of the sale of the new Hymnal.
- (2) Through the District Secretaries of Worship, several District Workshops have been held.
- (3) Publication of a series of leaflets on worship and the sacraments, designed for general use in the churches, the first of which is scheduled for publication this summer.
- (4) Three members of the Commission attended the National Convocation on Worship in Baltimore, April 19-21, the first such conference to be held in American Methodism.
- (5) At the request of the Bishop, the Commission has been responsible for planning the opening Service of Commemoration and Communion, and the daily worship periods at this session of the Annual Conference. We wish to express our appreciation to all those who, in many ways, assisted and will assist in these services.

In the field of church music, the Louisiana Chapter of the National Fellowship of Methodist Musicians held their annual Church Music Workshop at First Methodist Church, Natchitoches, April 15-16. We urge local churches and District Councils to send representative church musicians to the South Central Jurisdiction Institute of Church Music to be held June 27-July 2 at Mt. Sequoyah.

We recommend that the local church Commission on Worship be established in every church, that the new Book of Worship be faithfully used, and that every church purchase and use the new Methodist Hymnal.

JAMES E. CHRISTIE, Chairman

COMMITTEE ON INTERJURISDICTIONAL RELATIONS

Our Committee is new. This is the first quadrennium in which we have had such. We came into being in the same way other Boards and Agencies get their appointments, viz the Cabinet nominated and the Conference elected us. The composition of the Committee is slightly flexible, but we have the same composition as most Boards. . .one Minister and one Layman from each District.

Our Committee should not be confused with the Conference Board of Social Concern, either by composition or responsibility. The Board of Social

Concern has a much wider sphere of responsibility and concern than we. . . We have the one matter of Interjurisdictional Relations as our work.

We are not a legislative body, and cannot make rules or laws, but can make suggestions. We conceive of our task as that of creating an atmosphere within the Conference in which the changes which are taking place, and will increasingly take place within the life of the Church in the realm of Interjurisdictional Relations can come about in our Conference smoothly and creatively.

To this end, we make the following suggestions:

1. That there be an exchange of Fraternal Delegates to the Sessions of the Annual Conferences, South Central and Central.
2. That the Board of Managers of the Pastor's School extend an invitation to Ministers and their families to attend the Pastor's School of our Conference this Summer.
3. That meetings be held across Jurisdictional lines at the Cabinet level.
4. That there be meetings of ministers and laymen across Jurisdictional lines at the District and Conference level.
5. That invitations be extended ministers and laymen across Jurisdictional lines for Leadership enterprises and Seminars, etc., Education, Evangelism, Stewardship.
6. That get-acquainted meetings be held between local Church Groups. . . especially every Minister know the corresponding pastor of his parish.

JOLLY B. HARPER, Chairman

CHRISTIAN HIGHER EDUCATION

Report of Commission

The Commission on Christian Higher Education received at Conference \$7,000 from the World Service and Finance Commission. These funds have been expended during the year as follows:

L. S. U. Wesley Foundation	\$2,200
Northeast Wesley Foundation	1,600
Northwestern Wesley Foundation	2,100
Tulane Wesley Foundation	1,100
	<u>\$7,000</u>

These funds are used exclusively in the retirement of the indebtedness on Wesley Foundation buildings.

The Commission would remind each church in the Conference of the goal which has been set by our Conference of \$1.00 per member for Wesley

Foundation work and \$1.00 per member for Centenary College. These are goals which we should not forget but should strive to reach.

The Commission has had one meeting this Conference year on January 11, 1966. From this meeting came several definite goals toward which the Commission is moving.

The Finance Committee of the Commission has been instructed to prepare for the Commission's consideration a plan for the financial support of the Campus Ministry, that is the Wesley Foundations, in the Conference. It is the consensus of the Commission that the Conference should move toward a centralized collection and disbursement of funds in support of the Campus Ministry. While the \$1.00 per member plan has been a goal toward which we have been striving, even if it should be reached, it appears that this would give inadequate support to the Campus Ministry. This plan for more adequate support of our Wesley Foundation work will be submitted to the Annual Conference after it has been thoroughly discussed and approved by the Commission on Christian Higher Education.

The Commission has planned for November 25-26, 1966, a convocation on the Campus Ministry. This convocation will be held in Baton Rouge. The purpose of the convocation is to engage church leaders in discussion concerning the nature, needs, and methods of the campus ministry in the Louisiana Conference.

Nominations for the Boards of Directors and Boards of Trustees of the various Wesley Foundations throughout the Conference are included at the end of this report.

Disbursement of funds received from the Annual Conference in June will be made early in June to the various Wesley Foundations which have made requests for the funds from the Commission on Christian Higher Education.

Disbursements will be made during the Conference year, 1966-67 to the various Wesley Foundations in the following amounts:

L. S. U. Wesley Foundation	\$1,000
Northeast Wesley Foundation	1,500
Northwestern Wesley Foundation	2,000
Tulane Wesley Foundation	1,000
	\$5,500

REV. ENOCH MELVIN MOUSER

I Remember Papa —

— Unloading his family at the Grayson Methodist Protestant parsonage and laughing at his three year old son who was frightened “because there’s no one home” . . .

— Telling stories to his family, happily huddled on a winter’s night around a pot-bellied wood stove. . .

— Leading the congregational hymns in his deep, clear voice (“What a Fellowship, What a Joy Divine”). . .

— Preaching so vividly on “one sick of palsy, which was borne of four. . . let down through the roof” that we expected the shingles to start falling on our heads any minute. . .

— Working in his garden, always “the best in town”, while his youngest son picked potatoe bugs, ten for a penny. . .

— Taking time out from praying and preaching at a camp meeting to teach the boys, including his own, how to swim. . .

— Convincing Mama it was “time to move”, and joining her in shedding a few tears. . .

— Ministering as Chaplain at the Louisiana State Penitentiary, weeping because all the prisoners wouldn’t “go straight”, and laughing when a life-termer requested as his favorite hymn, “Just Like a Tree That’s Planted by the Water, I Shall Not be Moved”. . .

— Always building churches and parsonages. . .

— Disappointed when no one in the congregation responded to an altar call. . .

— Remembering past joys when “forty or fifty came in one night” and when “two hundred were saved in a two weeks meeting” . . .

— Wondering why “they want me to retire; I’m as fit as I ever was”. . .

— On the day of his retirement, laying hands upon his youngest son, in ordination, and welcoming him into full connection. . .

— The tranquil, almost happy years when the encroachments of old age were finally acknowledged. . .

— The quiet manner of his leave-taking. . .

“And Enoch Walked with God.”

The walk began near Hope, Ark., April 13, 1879. At the turn of the century, hearing the call to preach, he enrolled in the Methodist Protestant College at Tehuacana, Texas, eventually completing the studies available there at the Junior College level. He later served on the Board of Regents for that institution and engaged in funds-raising efforts on its behalf.

In 1902, he married Hattie Jackson, daughter of the Rev. M. C. Jackson, a member of the Arkansas Conference of The Methodist Protestant Church. She shared his ministry until shortly after their fiftieth wedding anniversary, and they are survived by three daughters and three sons. The daughters are active in Methodist Churches in Louisiana; one son is with the Agriculture Department in Washington, D.C.; two sons are members of the Louisiana Conference of The Methodist Church—one as a lay delegate and one as a pastor.

Papa was admitted to the Louisiana Conference of The Methodist Protestant Church in 1905. He served as its President numerous times, being elected for five consecutive annual terms, covering 1915-20, and upon several other occasions, the last of which was in 1925.

Excerpts from his reports published in the Journals of the Annual Conference reflect manifold interests, still pertinent today:

•**Urbanization**—"Report of Conference President", 1925)—"Our people are rapidly moving from the country to the towns and cities. . . every effort (should) be put forth by Laity and Ministry to build in the towns so that we may be able to hold our people. . ."

•**Youth**—"We must give more time to our young people. . . they have. . . true and settled convictions. . . if we do not give them work to do, we will lose them. . ."

•**Stewardship**—"Let me ask you preachers to preach at least three times a year on Tithing and Systematic Giving. . ."

•**Evangelism**—"This has been a great year. . . over three hundred professing faith in Christ, with over eight hundred forward for prayers. . ."

•**Missions**—"We recommend. . . greater stress on the cause of missions (in) this. . . new day. . . that our pastors preach. . . that our people pray. . . and that our hearts be moved to give (to) both the home and foreign field."

Papa transferred to The Methodist Episcopal Church, South in 1929, and in 1930 became chaplain of the Louisiana State Penitentiary, where he continued for nine years. The writer cherishes a conversation with an active Methodist layman who told him, "I was converted years ago under your father's ministry while I was a prisoner in Angola."

Leaving the penal system in 1939, he received appointments to Calhoun, Hall Summit, Sibley, Olla, and Grayson, where he retired in 1948.

Having finished his course, he received his coronation March 21, 1966.

The Walk Continues.

Roy E. Mouser

MRS. ROBERT H. WYNN

On September 13, 1872, a precious baby girl was born to Mr. and Mrs. W. D. Sawtelle, in Wheeling, West Virginia. She was named Alma. Later,

when she was three years old, the family moved to New Orleans. Here, she developed into a sprightly, dynamic young woman, and an accomplished secretary.

She was married on October 27, 1897 to a promising young Methodist preacher, named Robert Henry Wynn, the son of a Methodist circuit rider, Rev. John F. Wynn. He was pastor of the Algiers Methodist Church, on the West Bank of New Orleans.

They became one of the best-known and most loved minister-wife teams in the annals of the Conference. Each brought to the combination, qualities which the other needed. They complemented each other, wonderfully well. He was quiet, calm, and deeply spiritual, and was nick-named "The St. John of the Conference." She was radiant, inspirational, bubbling, and joyful.

Somehow, without neglecting the nurture and care of three active children, Louise (Mrs. W. N. Blanton of Houston) Robert (of Ruston) and Pauline (Mrs. W. Fred Allen of Kalamazoo) she threw herself enthusiastically into her husband's career. She loved the Methodist Church and she loved people, making friends wherever they went. For 34 years, she and her husband worked together, devoted to each other, to their children, and to the work of the Methodist ministry. The years flew by.

Leaving Algiers, they labored in the Irish Channel, in old New Orleans, at Louisiana Avenue Church. Then in rapid succession, came Homer, Ruston, Minden, and Monroe. They were loved and appreciated in each place.

After a short term on the Lafayette District, he was called to be President of Centenary College, in Shreveport. These were trying years, but they had the satisfaction of a good job, well done. Preferring the pastorate, he was again appointed to Ruston, and then to the Shreveport District.

Completing five years of hard work in Lake Charles, in 1929, they came again to Minden. After one happy year, his terminal illness began. She suffered every pain, along with him, until he was relieved, on Christmas Day, in 1931.

This married half of her adult life was busy, happy, and satisfying. She was wrapped up in her husband and his career, her family, her friends, and the Church.

Often, when a devoted couple is broken by death, the survivor grieves until illness or even death results. This did not happen to Mrs. Wynn. She was deeply affected by the loss of her beloved mate, but she did not indulge in grief. She moved into a new way of life, resolved to make the most of it.

The children insisted that she make her home with them, and she did, for 35 years. They showered love, tender care, and sincere appreciation upon her. She never lacked for a thing.

She continued to be interested in the Methodist Church, helping as she could, and encouraging the children, in their church life. But, she found other, varied interests, also connected with the Christian Faith.

For example, she took a tremendous interest in the work of E. Stanley Jones, and his Ashrams. She traveled all over the country, acting as secretary for the movement, and reveling in this dynamic witness for both personal and social Christianity.

She continued to attend the General Conferences of Methodism, as she had, when her husband was four times a delegate. At the age of 81, when many are content to take it easy, she went with a group of women, by bus, from Houston to Milwaukee, to attend the General Assembly of the W.S.C.S. It was a long trip but she enjoyed every minute of it.

At the age of 87, she attended the General Conference in Denver. She was not going to miss a thing, if she could help it.

A friend who has known and loved her for many years, remarked that "She was the most alive person I have ever known." It was an apt tribute.

She knew the Christian religion to be an aid to happier and healthier living, all the way from childhood to the grave.

Last December, at the age of 93, she was beginning to think that her faith had failed, because her eyesight was growing dim. I had a long talk with her, about that.

We are grateful that her terminal illness was short. Her life was long, rich, and full. We are thankful for her great faith. It helped to keep her buoyant and radiant, through many a long, tiring day.

One of her friends through the years, Dr. Dawson Bryan, told a story he heard when a boy. It fairly represents the attitude of the Christian, when death comes.

"A little boy was playing in the sands, along the seashore, building a city in the sand. His city had streets, houses, banks, churches, even a school, with an ancient style wall around this modern city. He worked all afternoon, building his city in sand.

He was so wrapped up in his task, that he did not notice the passing of time, how the sun was setting, clouds were gathering, and the wind was growing chill. He was very busy. He did not notice the tide coming in, the waves mounting higher and higher, until one large wave swept in over him, washing away his city in the sand.

The little boy was afraid, and he ran to a little cliff nearby, but he was not alone. Above him, on the cliff, was his elder brother. He had seen the whole thing. He noticed his little brother's fright.

He reached down, caught hold of the younger brother's hand, and pulled him to safety. Arm in arm, they walked to the open door of their brightly lighted home, the home of their father.

Often, we get very busy, building upon the sands of time. We are so wrapped up in what we are doing here on earth, that we may not notice the passing of time, that the wind is rising, the waves mounting higher and higher, until suddenly, without warning, or perhaps with warning, a deadly

wave sweeps in over us, wiping out the life we have known. We may feel lonely and afraid.

But, we need not be. There is an Elder Brother looking on. His name is Jesus Christ. He has seen it all. He has been this way, Himself. He is ready to reach down, catch hold of our up-stretched hands, and lift us to safety. Arm in arm with Him, we turn from this scene, toward a brightly lighted Home, where the door is always open, and the Father waits, with open arms. Forgetting the storm outside, we may enter that place prepared for those who love Him.

That is the faith of a Christian, and that was the faith of Mrs. R. H. Wynn. Her faith carried her through, all the way. We thank God for her, and for her faith. It makes the difference between faint hope, and positive assurance, between defeat and triumph.

REV. HAROLD R. HINE

No more glorious or satisfying climax could come to the life of any minister than that which came to Harold R. Hine. He preached of the resurrection to a packed house on Easter Sunday morning, sang in a quartet at the Cantata that night and in the early hours the following morning quietly and peacefully moved over to the other side.

Brother Hine was born in Elton, Louisiana, March 12, 1921. He was a graduate of Southwestern Louisiana Institute in Lafayette and of Duke Divinity School. He served churches in Iota, Maxie, Lake Arther, Merryville, Greensburg, Vidalia, Davidson Memorial in Lafayette, and was serving First Methodist Church in Denham Springs at the time of his passing.

Brother Hine had been ill for over a year and he and his people knew that his was an illness from which he could not recover. His marvelous courage, his tremendous faith and his refusal to give up or to give in to his illness was an inspiration to all. He continued his pastoral duties right up to the end in spite of great suffering and weakness and was to have assisted in a funeral the day he died. His ready smile, his refusal to complain, his careful planning for his family after his going made many of us ask ourselves if we could face this sort of thing in the same wonderful way. Here was a man who, in every sense of the word, lived his faith right up to the end.

It can be truly said that the impact of the life and death of this good man will long be felt by the church he served, the community in which he lived and by all who knew him. Through the years, we came to appreciate him, not only as a humble servant of the Christ but also as an unusually able preacher of the gospel and devoted pastor to his people.

He died April 11, 1966 and is survived by his wife Doris Fay, a son Christopher Ray, a daughter Karen Fay, his mother and a sister. Services

were conducted in First Methodist Church, Denham Springs by Rev. Jerome Cain, District Superintendent of the Lafayette District, and Dr. Bentley Sloane, District Superintendent of the Baton Rouge District, assisted by Dr. W. E. Trice and Rev. W. D. Milton. Interment was in the Denham Springs cemetery.

REV. FRANKLIN J. McCOY

"Brother Mac" was the endearing term given to Rev. McCoy. The use of the term was an ennobling one, an indication of the high respect with which this good man was held. To say that he was loved by his people is an understatement. People had an instinctive trust in him.

Although he was no Demosthenes in the pulpit, people heard him gladly. There was a sincerity about his preaching that was at once both captivating and challenging. He was a sermon! There was no degree of farness between his preaching and his ethics — they were synonymous. He was in love with the Christian Gospel. He could say with Martin Luther, "To preach the Gospel is nothing else than to bring Christ to men and men to Christ."

He was a man of the people. His hands were accustomed to the carpenter's saw, the plumber's wrench, and the farmer's plow. All work was honorable to him. He sanctified all labor, no task was too menial.

Brother Mac served the following appointments:

- 1907 — Student in Millsaps College, Jackson, Mississippi
- 1908 — Woodworth and Pineville
- 1909-1910 — Tioga
- 1911 — Shreveport, Cedar Grove
- 1912 — Shreveport, City Mission
- 1913 — Shreveport, Queensboro
- 1914 — Jennings
- 1915 — Abbeville
- 1916 — Naborton and South Mansfield
- 1917-1826 — Houma
- 1927-1928 — West Monroe
- 1929 — Haynesville
- 1930-1932 — Leesville
- 1933-1934 — Baton Rouge, Keener Memorial
- 1935-1936 — Ida-Hosston
- 1937-1938 — Wisner
- 1939-1943 — Lecompte (heart attack during '43-'44 conference year)

He closed his earthly pilgrimage as he had lived life — with dignity, humbleness, thankfulness, and a joyous victory. His life was lived with an exclamation point.

MRS. FRANKLIN J. McCOY

Aunt Lucy was dearly loved wherever she served with her preacher-husband "Brother Mac". Soft of speech, a captivating chuckle, a twinkle in her eyes when amused, careful in her use of the English grammar and even more careful in her Christian witness, these were her distinguishing queenly attributes.

I remember her as one who was faithful in meeting all the demands of life, and especially so as a minister's wife. She had the rare ability not to be annoyed by the trivial things in life. She kept her energies for the big things in life. In addition to the normal duties of a housewife, she sang in the choir, taught a Sunday School class (I was privileged to be one of her Sunday School boys), and was an active member of the Missionary Society. She adorned the Gospel with her life. She could say with Emerson, "We find in life exactly what we put in", or "It matters not how long you live, but how well". She left this world a better place for having lived in it!

REV. WILLIAM LARKIN DUREN

There are a few really great leaders born in every generation. William Larkin Duren was one in his generation. By the sheer force of his character, personality, and mind he forged ahead to become one of the great leaders of his church. He was a preacher of ability, a writer of real merit, a student of history, a gentleman of the old school, and a friend that one can cherish always.

William Larkin Duren, scholar, educator, lecturer, writer, preacher, gentleman, and humble servant of Jesus Christ, was born in Carroll County, Mississippi, October 27, 1870. He was the son of Jesse George and Annie Eliza Rogers Duren. He attended the public schools of Carroll County and after graduation taught school for some ten years before deciding to attend college for further education. He entered Millsaps College in 1898 and received his A.B. degree in 1902.

Upon graduation he decided to enter the ministry of the Methodist Episcopal Church, South. He joined the North Mississippi Annual Conference and was ordained deacon in 1902 and elder in 1904. He served the following charges in the North Mississippi Annual Conference: Itta Bena, Jonestown, Macon, Clarksdale, Tupelo, and Columbus. He transferred to the Louisiana Conference in 1920 and became the pastor of Rayne Memorial Church in New Orleans where he served for six years. He then transferred to the Georgia Conference and became the pastor of St. Mark Methodist Church in Atlanta for four years, 1926-30. He served short terms as Presiding Elder of the Columbus District, Mississippi Conference, Griffin District of the Georgia Conference, and the Monroe and New Orleans Districts of the

Louisiana Conference. In 1934 Dr. Duren became editor of the New Orleans Christian Advocate, where he remained until he retired in 1946. He was a great editor and served the paper with distinction and honor.

Dr. Duren received many honors from his church during the forty years which he served in the active ministry. Centenary College conferred upon him the Doctor of Divinity Degree in 1922 and Millsaps College gave him the same degree in 1932. But the honor he cherished the most was his election to the Uniting Conference of the Methodist Churches in 1939. He was keenly interested in this union and had supported this movement from the beginning. He knew his church's history as few men did and wrote extensively in this field. He was the author of four books — **Francis Asbury**, 1928, **The Top Seargent**, 1930, **Charles Betts Galloway**, 1932, and **The Trail of The Circuit Rider**, 1936. In addition to these books, he wrote many articles in the different periodicals of the church.

In 1902, Dr. Duren married Miss Ethel Bennett, who was his inspiring and helpful companion for more than sixty years. She died in 1962. To this union were born three children who survive their parents — William Larkin Duren, Jr., of Charlottesville, Virginia, James B. Duren of Hattiesburg, Mississippi, and Miss Mary Duren of Charleston, West Virginia.

Because of his many talents, Dr. Duren's life had many facets. He was an educator of significant influence. He served on the Board of Trustees of Centenary College and was most valuable to that institution in her critical years when Centenary was trying to find her place of service in the State of Louisiana. He was deeply concerned with raising the educational qualification for membership in the Methodist ministry. He gave significant suggestions to the General Board of Ministerial Training in drawing up the course of study for young preachers entering the ministry of the Methodist Church.

He was a writer and editor of marked ability. Even though the books he wrote did not receive national recognition, they were all well written and showed a profound knowledge of the history of the Methodist Church. There were few of the illustrious editors of the New Orleans Christian Advocate who did as good a job as did Dr. Duren. He was a positive thinker. One never had to wonder about the position of Dr. Duren on any controversial question — all one had to do was to read his writings or listen to him speak. He never straddled the fence on any matter. He was clear-cut and logical in every position he took. Bishops and leaders of the church at large sought his advice on many issues which confronted the church during his long ministry, and he always gave them helpful advice.

Dr. Duren was a friend genuine and true. He had many friends because he was friendly. He had such a deep sense of loyalty to his friends that he suffered when they suffered and he gloried in their successes. He was as free from jealousy as any man I ever knew. He made no derogatory remarks about his brethren. He indulged in no idle gossip. I went to him for advice again and again and he always helped me with the problem that I was facing.

Dr. Duren had executive ability of a high order, as is indicated by his four terms on a district and his long service as editor of the New Orleans Christian Advocate. His judgment was sound, and his advice was often sought and relied upon.

After more than 94 years of fruitful living Dr. Duren died June 21, 1965. He was buried from the Rayne Memorial Methodist Church of which he was pastor emeritus at the time of his death. His body rests in the Metairie Cemetery in New Orleans, Louisiana, but his spirit has joined that of his beloved companion in that realm where there will be no more pain, no more death, and no more parting.

MRS. J. F. DRING

Mrs. Sibbie Smith Dring was born January 5, 1890 in the Antioch community near Simsboro, La. in Lincoln Parish, and passed to her eternal reward June 19, 1965, at the age of 75 years and some months. Funeral services were conducted at Antioch Methodist Church on Simsboro Charge June 21, 1965 by her pastor, Rev. W. P. Cassels, with interment following in the Trussell cemetery in the same community. At the time of her death Mrs. Dring was making her home with her daughter, Mrs. Lillie Mae McKibben, and was a member of Antioch Methodist Church in the community.

Mrs. Dring was married to the late Rev. J. F. Dring, January 5, 1904, and to this union were born four sons and four daughters, seven of whom survive as follows: three sons: Arvil Frank, Armand O., Justin Grady Dring; four daughters: Mrs. Lillie Mae McKibben, Mrs. A. L. New, Mrs. W. W. Byars and Mrs. G. A. Jones.

My District Superintendent asked me to write this memoir for the Conference Journal, which was fitting and appropriate as I was serving as Mrs. Dring's pastor at the time of her passing. But I have a finer reason for feeling that I am honored and am uniquely privileged to write this memoir. I would like to share this experience with all of you.

Quite a few years before I entered the full time pastoral ministry I had the joy of association with the J. F. Dring family. Bro. John Dring was my pastor for several years and I led the singing for him in many revivals through the years and for this reason I was in their home many times and shared that fellowship. During this time Bro. Dring performed the wedding ceremony for my wife and me, and gave us wise counsel for that relationship.

Because of this personal and rich association with this family, I feel that it was indeed a rare privilege to have been the pastor of Mrs. Dring for these past six years. She has been in failing health for all of these years, and a number of times as she has been in and out of the hospital, she has been so critically ill that no one, even her doctors, felt that she could pull through.

In spite of her illness she has been an inspiration to her pastor and others because of her faith in God, and submission to His will. She was always

expressing her interest and concern for others who weren't living as they should or other distresses. She would ask for prayers in their behalf.

I consider it a rich privilege to have had this experience and an honor to be asked to write this memoir to the life of Mrs. Sibbie Smith Dring. We are lonely because of the passing of one dear, but rejoice in our hearts because we cherish the memory of a wonderful mother and dear friend.

REV. HENRY WALTER LEDBETTER

Henry Walter Ledbetter was born on July 4, 1870, in Union County, Arkansas. He was the son of William Henry Ledbetter, and Mary Powledge Ledbetter. In the late 1800's the Ledbetters moved to North Louisiana where they were to rear their family. Brother Ledbetter attended Louisiana public schools and Claiborne College. As a young man he taught for several years in the public school system. However, after his conversion at Arizona, Louisiana, in 1891, he began to feel his call to the ministry. The experience which he had known during that revival, which was led by the Knickerbocker Brothers, was one which left his life restless, as he sought to serve God. In 1895, on his birthday, in Minden, Louisiana, he was licensed as a local preacher of the Methodist Church. He was then admitted on trial at Ruston, Louisiana, in the fall of 1896, and was ordained an elder two years following in 1898.

He was married in 1894 to Mattie Willie McKinnis, who passed away in 1910. Two daughters, Miss Blanche Ledbetter, Shreveport, Louisiana, and Mrs. L. R. Nease, Suffolk, Va., survive this union.

Brother Ledbetter used his talents well in the service of his Christ, for it was under his leadership that many people were brought into the fold and fellowship of the church. He was responsible for the building of several parsonages and 15 church buildings. The ministry which he knew because of his labors, was a deeply rewarding experience for him. The churches which he served were scattered throughout Louisiana where all of his ministry was spent, with the exception of three years in the Arkansas Conference. Brother Ledbetter remained active until he was 78 years old, and because of this, he was able to give to the Louisiana Annual Conference over 50 years of service. He was a member of the Louisiana Conference for almost 70 years. Certainly, the church is indebted to this man, and to many like him, who, through the years, were able and willing to give of themselves, that the church might emerge as the great church which she is today. There is no way for us to adequately express the deep gratitude which is ours for men such as Brother Ledbetter.

His work cannot be assessed just by the buildings which were built under his ministry, but it must be assessed by the fine spirit, and the great knowledge of Christ which he implanted in the lives of those whom he served and

touched, for this spirit and knowledge is passed on from generation to generation, and the effects of his ministry will stand long beyond the time of buildings, and will be reflected down through the years in history.

Brother Ledbetter was a deeply spiritual man. One of great faith; and ever mindful and appreciative of God's love and His blessings, and the Gift of life, for which he never ceased to thank his Maker.

He married again June 26, 1925, to Mrs. Kathryn Harris Anderson.

He lived the last few years of his life in Shreveport, where he passed away on November 16, 1965, at his residence in the Fairfield Manor Apartments. His funeral services were held on November 18, at the First Methodist Church in Arcadia, one of the churches built during his ministry. He is survived by his wife, and two daughters.

Henry Walter Ledbetter loved the Methodist Church: He loved those whom he served, but above all he loved the One whom he served. His gentle spirit, alert mind and genuine interest in those about him, endeared him to hundreds of parishioners and many friends throughout our State.

May God richly bless the memory of our departed one.

Servant of God, well done!
Rest from Thy loved employ,
The battle's fought, the victory's won,
Enter Thy Master's joy!

MRS. J. T. McVEY

Mrs. Flora Adams McVey, 90, resident of Lecompte, La., died Saturday, July 24, 1965 in Lecompte. Mrs. McVey was the widow of the late Rev. J. T. McVey, a member of the Louisiana and Mississippi Annual Conferences.

Rev. McVey began his ministry in 1907 at Braxton, Mississippi. Mrs. McVey took an active interest in her husband's ministry to the Church. She was often called upon to teach Church School classes and Bible-study courses in each of the churches they served. Mrs. McVey made friends wherever she went. Her devotion to God and to the Church was an inspiration to all who knew her. She was modest and unassuming. People loved her because she was so genuine and understanding.

In 1920 Mrs. McVey's husband was transferred to the Louisiana Annual Conference. They served churches at Boyce, Baker, Covington, Jackson, Merryville and Simsboro. In 1931 they retired from the active ministry and moved to Hattiesburg, Mississippi. In 1945 they moved to McComb, Mississippi, and lived there until her husband's death in 1950.

In 1956 Mrs. McVey moved to Lecompte, La., to live with her daughter, Mrs. H. G. Hawthorne. Mrs. McVey transferred her church letter immediately

to the First Methodist Church at Lecompte, where she had an active interest in this local church. She loved The Methodist Church and contributed to its life and work in so many ways. She was always happy to have her ministers visit her.

Born in Erin, Tennessee, in 1875, Mrs. McVey is survived by one son, William T. McVey of Hattiesburg, Mississippi; two daughters: Mrs. M. S. Allen of McComb, Mississippi, and Mrs. H. G. Hawthorne of Lecompte, Louisiana; one brother: J. I. Adams of Franklin, Tennessee; one sister: Mrs. Lucy Hay of Nashville, Tennessee; eight grandchildren; fourteen great grandchildren; and three great, great grandchildren. Funeral services were held Sunday, July 25th, 1965, in Hattiesburg, Mississippi.

Mrs. H. G. Hawthorne

MRS. WILLIAM F. HENDERSON

Mrs. Ludie Hendrick Henderson was born at Keithville, La., April 26, 1880. She was transplanted into eternal glory August 28, 1965. Her body was laid to rest in the same community into which it was born.

On June 20, 1904, she was married to William F. Henderson, Jr., the son of a Methodist minister. In 1913 William answered God's call to the ministry and began serving as a pastor in the Louisiana Conference. From that time, until health conditions forced Rev. Henderson to retire in 1941, Mrs. Henderson nobly and beautifully filled the roll of a minister's wife.

Upon retirement Rev. and Mrs. Henderson moved to Shreveport and became active in the Cedar Grove Church, where they had once served. Until God called her home, Mrs. Henderson remained deeply interested in, loyal and devoted to her church and her God. To know her was to love her. To share her life was to be challenged to a deeper spiritual experience and a more consecrated, sacrificial service.

Dr. Roy Burkhart has said a Christian enjoys three birthdays. The first is when he is born physically. The second is when he is born into the spiritual Kingdom as a conscious child of God. The third is when he is born into the eternal presence and glory of God. We can truly believe Mrs. Ludie Henderson has enjoyed all three of these birthdays.

W. K. Wallace expressed our thoughts of her when he wrote:—

Whence came my soul,
The essential me?
I can not know
But this I see —
That whence I came,
Thence must I go.

I had no fear
I felt no pain,
When here I came.
And when I go
O soul, this I know —
Neither fear nor pain
Shall with thee go.

If Father's hand
Did bring thee here,
Then that same hand
Will lead thee there.
If life has grown
From less to more,
Then life, more life,
Is still in store!

MRS. GEORGE D. PURCELL

Mrs. Ela L. Browne Purcell was born January 14, 1872, in Natchitoches Parish, Louisiana, the daughter of Dr. Joseph Newton Browne and Caroline Virginia Broome. She received her education at Louisiana State Normal College, Natchitoches, Louisiana, and at Louisiana State University, Baton Rouge, Louisiana.

She was married to the Reverend George Dowell Purcell, May 24, 1899, who at that time was a member of the Louisiana Annual Conference. Together they continued this ministry in the Louisiana Conference until his death, September 9, 1932. Throughout her husband's ministry she took an active interest in the work of the Church, and being well trained and educated, she made a valuable contribution to the Church in her services to her home, her Church and to the community.

Mrs. Purcell was a lovely Christian woman, of deepest Christian principles and convictions, and an inspiration to all her friends and to pastors who come to know her. She was a Life Member of The Woman's Society of Christian Service and a member of the United Daughters of the Confederacy.

She taught in the Public School Systems in Texas and Louisiana for 35 years and was highly respected in educational circles.

Mrs. Purcell — "Miss Ela" — as we all knew her, died on December 3, 1965, in Shreveport, Louisiana, and is survived by three sons and one daughter. Interment was in the Plain Dealing Cemetery, Plain Dealing, Louisiana — a long and useful life ending here on earth, but having greater glory with God in His Kingdom.

REV. JOHN GARRISON SNELLING

John Garrison Snelling was born in Cheneyville, Louisiana on April 23, 1869. He died ninety six years, six months and twenty eight days later in Denham Springs, Louisiana. It was this writer's privilege to know him twenty four of those years, and it was his honor to conduct the funeral service at David Haas Memorial Methodist Church in Bunkie, Louisiana. Cannon Alfred Christy of the Episcopal Church assisted with the service.

John Snelling grew up in the vicinity of Cheneyville and in Avoyelles Parish. One of his boyhood friends was the late Rev. C. C. Wier whose memoir he was to write. A personal note in that memoir reveals that these friends went to college in Keatchie, Louisiana.

John G. Snelling was married to Miss Susan Elizabeth Murph at Bunkie on October 17, 1894, and to them were born four children. In 1908, fourteen years after their marriage, John G. and Susan Elizabeth Snelling, who had been members of the Protestant Episcopal Church, became a parsonage family, for in that year he was received on trial as a minister by the Louisiana Annual Conference of the Methodist Episcopal Church, South. His first appointment was Creswell Avenue (now Noel Memorial) in Shreveport. Other appointments were Carrolton in New Orleans, Homer, Ruston (Trinity), and the Superintendency of New Orleans District.

In 1921 he became Superintendent of Memorial Mercy Home, the institution now known as Methodist Home Hospital, in New Orleans. He was to continue in this office even after the calendar dictated that he join the retired ranks. His retirement came in 1942, but a new superintendent was not appointed until 1946. For the next three years, or until 1949, he served as the Financial Secretary of the Memorial Mercy Home Building Project.

When he finally and fully retired he and Mrs. Snelling returned to their home near Bunkie. She died on March 27, 1951. His death came fourteen years later and his body was buried next to that of his wife in Pythian Cemetery in Bunkie. Only one of their children, Clarence H. Snelling, survives them. A grandson, Clarence H. Snelling, Jr., is an ordained minister of The Methodist Church.

Dr. Snelling's energies and abilities were given to a variety of interests in the Conference. He was president of the Board of Missions, and Director of the 1926 Million Dollar Campaign for Missions. He was a trustee of Centenary College, a member of the Legal Conference, chairman of the Commission on Evangelism, and a member of the Committee on Rural Work. In 1930 he served on a committee to redistrict the Conference, and in 1934 he was on a committee to study the possibility of merging the work of the Methodist Episcopal Church and the Methodist Episcopal Church, South in Louisiana and Texas.

His most notable work, however, was as the Superintendent of Methodist Home Hospital. In this capacity, he, like his Master, was to show Christian compassion to sinful human beings, especially un-wed mothers and their innocent babies, when they most needed compassion. It must have been to

such as he that Jesus said, "Truly, I say to you, as you did it to one of the least of these my brethren, you did it to Me."

Servant of God, well done!
Rest from thy loved employ,
The battle's fought, the victory won,
Enter thy Master's joy.

The pains of death are past,
Labor and sorrow cease,
And life's long warfare's closed at last,
Thy soul is found in peace.

Servant of God, well done!
Thy glorious warfare's past:
The battle's fought, the race is won,
And thou art crowned at last

MRS. DAVID B. BODDIE

"Dost thou love life? Then do not squander time, for this is the stuff that life is made of". No one appreciated this concept of time more than did Mrs. Ella Mae Kegler Boddie. From her childhood, lived in Franklin, Texas, where she was born, July 2, 1885, she lived a busy life. Upon completion of her education in high school and college, she began teaching in the public schools of Texas. She was married to the Reverend D. B. Boddie in 1914, in the First Methodist Church, of Katy, Texas. In 1919, the Boddies transferred from the Texas Conference to the Louisiana Conference.

Mrs. Boddie was especially interested in Christian Education and was never happier than when teaching a children's class. In practically every Church served by the Boddies in Louisiana, Mrs. Boddie held an office in the Children's Division or taught a class of children. She was Superintendent of the Junior Department of the Nolley Memorial Methodist Church in Jena, Louisiana, when she fell and broke her hip in 1962.

When Reverend Boddie retired in 1956, Mrs. Boddie continued to teach and held the office of Secretary of Children's Work in the Woman's Society of Christian Service in the Alexandria District. So time to Mrs. Boddie was the very essence of life.

She fulfilled the duties of a wife and mother in the home with grace, dignity, and love. There was a Christian atmosphere about her home. Three sons were trained in her home by precept and example. All three have established Christian homes of their own. They are W. D. Boddie, Harbin Boddie, and George B. (Jack) Boddie. One could always find current Christian literature about the home that was being read and studied. Mrs.

Boddie kept well informed about The Methodist Church to which she was always loyal and devoted.

She was interested in the program of the whole Church, but gave her best time and thought to the Children's Work in the local Church and on the District and Conference levels. She served as District Director of Children's Work under the Conference Board of Christian Education and as Secretary of Children's Work in the Woman's Society of Christian Service. She attended the Annual Meetings of the Conference Woman's Society of Christian Service for forty-one years.

In and through all of her busy life, she exemplified in her personal life such Fruits of the Spirit as love, joy, peace, patience, kindness, goodness, fidelity, gentleness, and self-control. These elements of Christian character enabled Mrs. Boddie to live a life rich and full. She sought to live a life rightly related to all persons. She saw people as persons.

In spite of the importance of her life and influence here, God saw fit to give her an opportunity for an even fuller life. So, on September 1, 1965, He transferred her to larger fields of service. She was such a wonderful friend, we will all miss her going.

On September 2, her funeral was conducted at the historic Nolley Memorial Methodist Church, in Jena, Louisiana, with Reverends E. J. Barksdale, Rev. Jolly B. Harper, John F. Kilpatrick, and E. W. Sandel officiating. Burial was in the Nolley Memorial Cemetery.

This message from the sixteenth Psalm seems most appropriate to summarize the life of Mrs. Ella Mae Kegler Boddie:

"Preserve me, O God, for in thee I take refuge.
I say to the Lord, 'Thou art my Lord;
I have no good apart from thee.'

* * * * *

The Lord is my chosen portion and my cup;
thou holdest my lot.
The lines have fallen for me in pleasant places;
yea, I have a goodly heritage.

I bless the Lord who gives me counsel;
in the night also my heart instructs me.
I keep the Lord always before me;
because he is at my right hand,
I shall not be moved.

Therefore my heart is glad, and my soul rejoices;
my body also dwells secure.
For thou dost not give me up to Sheol,
or let thy godly one see the Pit.

Thou dost show me the path of life;
in thy presence there is fullness of joy,
in thy right hand are pleasures for evermore."

MRS. KAVANAUGH W. DODSON

Mrs. Christine Galster Dodson was born in Trichtingen, Germany on June 25, 1878. She was the daughter of Mr. and Mrs. John George Galster.

In 1880 the family came to the United States of America and located in Hope, Arkansas, later moving to Stuttgart, Arkansas.

On February 14, 1900 Miss Galster was married to the Reverend Kavanaugh W. Dodson in Hope, Arkansas. From this union four children were born, two boys and two girls, three of whom still survive. In addition there are five grandchildren and several great grandchildren.

Mrs. Dodson was preceded in death by her husband, the Reverend Kavanaugh W. Dodson, in 1943. He died at the age of 75 years, and she lived to the ripe age of 88.

Together this devoted couple of God served the Methodist Church both in Arkansas and Louisiana for more than forty years. Their appointments in Louisiana, where they served for some 40 years, included almost every section of the state: Algiers and Parker Memorial in New Orleans; Mansfield, New Iberia, First Church, Lake Charles; Minden, DeRidder, Arcadia, Winnfield and Gueydan. In addition, they served the following Districts as Presiding Elder: Monroe-Ruston, Ruston, Minden and Baton Rouge. In 1939, they took the superannuate relationship and lived in Ruston until his expiration in 1943.

Following the death of her husband, Mrs. Dodson moved to El Dorado, Arkansas and lived with relatives until her demise on March 8, 1966. She was buried by the side of her late husband in Ruston, Louisiana.

Brother and Mrs. Dodson were widely known and loved throughout Louisiana. They had a deep sense of duty and loyalty to the Methodist Church. She was an inspiration to her dedicated husband in his many and varied responsibilities. She shared his keen sense of humor and great appreciation for any and every favor showed to them. They made many fine and lasting friends for themselves, The Methodist Church, and for Jesus Christ our Lord!

DR. ROBERT EDWARD SMITH

Robert Edward Smith was a child of destiny. In his early childhood a nurse accidently dropped him into an open fire and had it not been for the

knowledge and skill of his doctor father and the patient love and devotion of a dedicated mother, he might not have survived. In a very real sense, like Wesley, he was snatched from the burning.

When a man passes from the stage of action, certain qualities of character emerge and we weave them into a symphony of appreciation. First, he set a high standard of excellence for himself and for others he knew and served. For him, character is the diamond that scratches all other stones. He lived in the light of this belief. He eschewed laziness and sham. The class-bluffer was soon unmasked before his worshippers.

Dr. Smith was a scholar. His interest covered a wide range of subjects and he eagerly resolved to master as many of them as possible. To the very end he was ever the student learner. The day following his death, his reading glass was on his desk; among other things there was a copy of the **Christian Advocate**, a copy of the **U. S. News and World Report**, Upton Sinclair's, **Autobiography**, and his well-worn **Holy Bible**. This is indicative of his interest in life.

Second, Dr Smith was a great teacher. This was especially true in his interpretation of the Bible and biblical literature. The Bible to him was the Word of God. Its characters were real and under his magic touch they lived and moved and spoke. For thirty years he poured this message of love and power into his classes. At times, there were as many as 800-1000 men in the Four Square Bible Class, which he guided and inspired on Sundays.

Third, Dr. Smith had a great sense of humor. This added zest to his teachings. Students never went to sleep in his classes for fear they would miss something. He never lost that sense of humor even to the last days of his life.

Fourth, he had a great faith and an unfailing devotion to Christ and his church. God was very real to him and his prayers seemed to get to Him. His humility was humbling to stuffed shirts.

Dr. Smith never sought honors for himself nor did he politic for votes to any conference. The honor he preferred above all others, was a fuller measure of God's love and truth as revealed in Christ Jesus. Even in his 90th year he could say with Browning in his "Rabbi Ben Ezra," "Grow old along with me, the best of life is yet to be, the last of life for which the first was planned. . .youth shows but half. . .trust God. . .see all nor be afraid."

Man slips, slides, struggles, but he moves on with bated breath to the end of the way. When the twilight of transition began to envelop our great friend he began to preach and quote the Bible, then he broke out into singing some of the great hymns and then quietly went to sleep! He could say with Browning's Saul as he crossed the "great divide", "It shall be a face like thy face that receives thee; a man like me thou shalt love and be loved by forever; a hand like this hand shall throw open the gates of new life to thee. See the Christ stand."
